FOREWORD

The three years that are spent at Chambersburg Area Senior High School were, perhaps, the best years of our lives. From the time we enter the doors of CASHS as sophomores, until the time we graduate we grow both in wisdom and in stature.

We will never forget the first day we entered the crowded halls of another world, nervous but terribly excited.

As the year progressed, the work became more difficult and our attitudes more mature. It became neccessary to possess self discipline and a broader outlook.

Among the most cherished memories of high school are the Saturday morning sore throats from cheering at the Friday night football games, the excitment of the first class election, and the first experience of Color Day. Each class has its own highlight; sophomores receive class colors, juniors receive the long awaited school rings, and seniors receive their diplomas. The day we had to give our first speech, the time we got a pass from the office and couldn't imagine why, and the 18 times we got report cards have left lasting impressions upon us.

Then there were the times when we had to stay awake half of the night to finish our source themes, or the times we were called on to demonstrate a problem that we couldn't find time to do the night before. Our first time-slips and demerits weren't very pleasant; but the pep rallies, athletic contests, spring proms, and all-night parties made it all seem worth while.

The night we sat and listened to the speaker at graduation and received our diplomas, we realized that the years together with close friends, the years of busy activity, hard work and fun —our high school years—had come to a close.

For from here, each one will go his own way, pursue his own goals, and live his own life. Many times and faces will be forgotten through the passing years, but the fondest memories of years of CASHS are captured forever in the 1969 Echo.

ART DEPARTMENT—The art classes explore a variety of media experiences by painting with instant coffee and shoe polish. Art appreciation both past and present is encouraged throughout the year. In the more advanced classes complete study and rendering of the painting "isms" is developed. During the year, art club field trips are made to the York School of Art, the Hagerstown Museum, the National Gallery in Washington, D.C., and the Baltimore Art Museum.

DRIVER EDUCATION DEPARTMENT—To develop the student's ability to operate an automobile safely and efficiently is the immediate practical purpose of driver education. Strong foundations of good driving habits, knowledge and skills, prepare the student for a lifetime of safe, efficient motor vehicle operation.

The classroom phase and practice during instruction constitute a two-part program designed to meet these objectives.

Sophomores receive the classroom instruction, examining and studying the qualifications of the driver, traffic laws (man-made and natural), and special driving problems (city, county, freeway, and adverse driving).

In the practice driving phase, students gain experience by observing, listening and by actual driving in a dual-controlled automobile. Students have the opportunity to establish good driving habits that will make them confident, efficient and safe traffic citizens of the future.

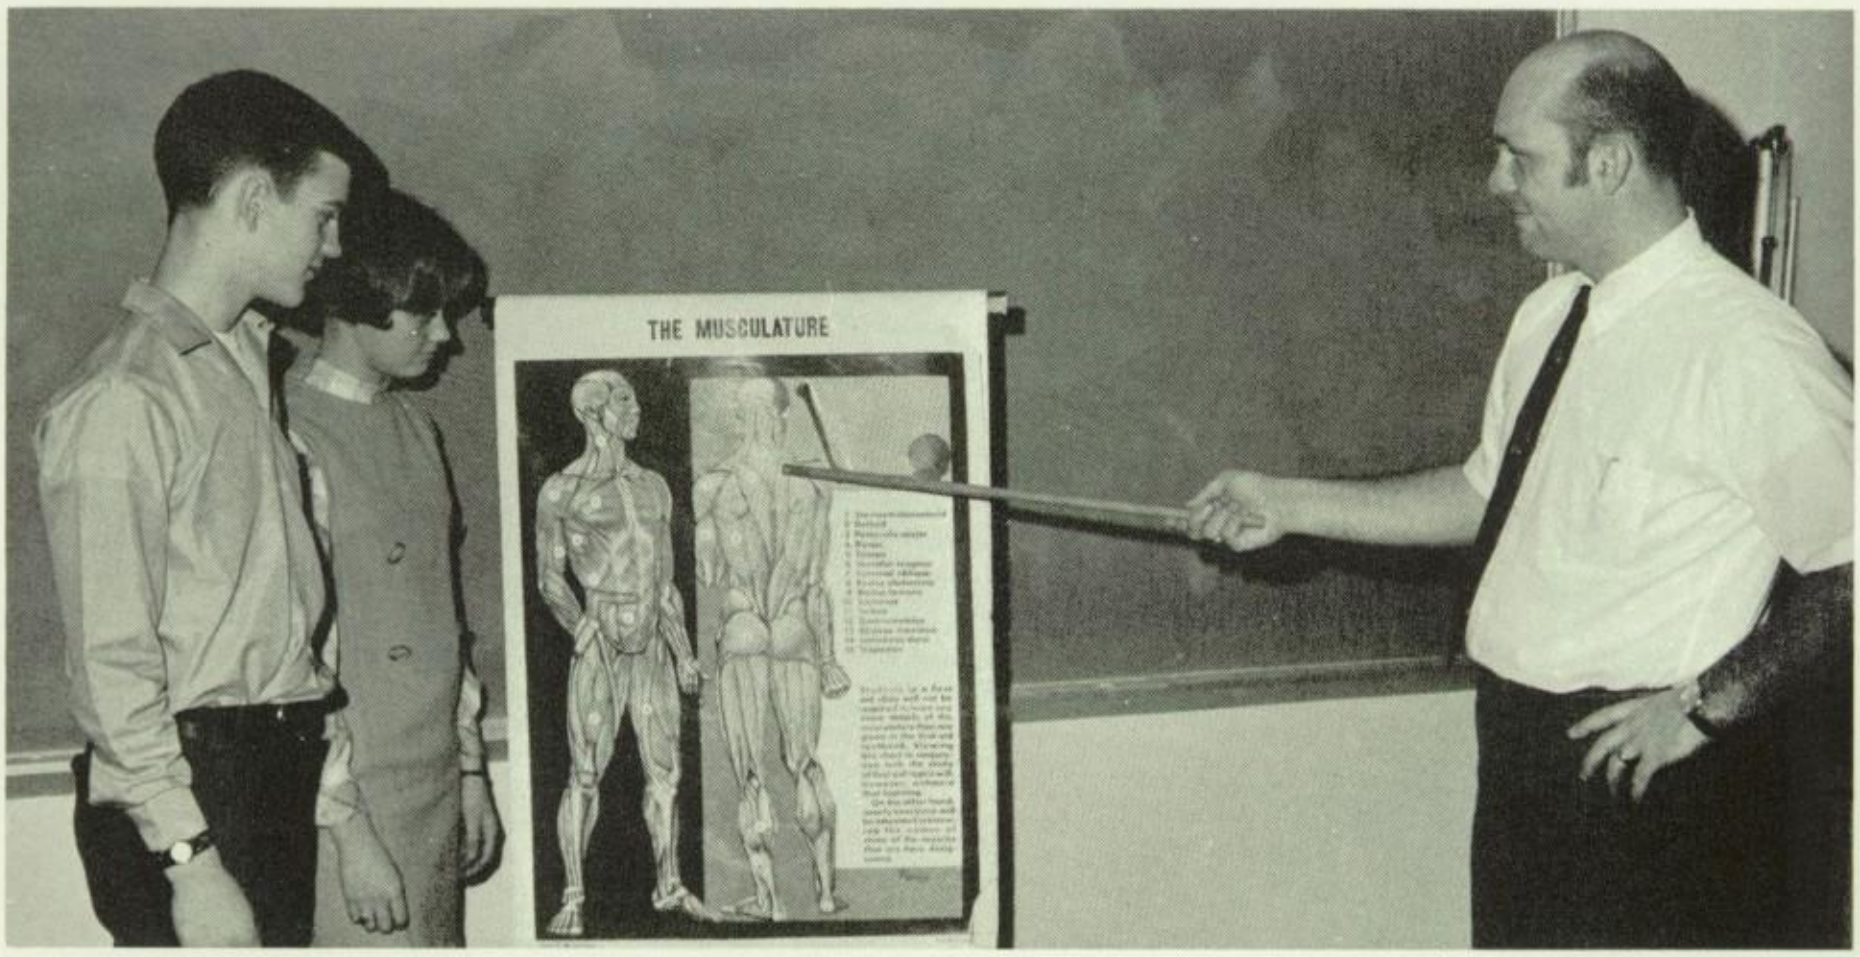
BUSINESS EDUCATION DEPARTMENT—Business is a dynamic, intensely human activity. It is characterized by efficient methods of producing, selling and serving. The Business Department as always has endeavored to keep pace with the times.

The business education department of the Chambersburg Area Senior High School has organized its program of studies to meet the needs, interests, and abilities of the studies as they apply to business education. The student position follows a suggested program which refers specialization until the Junior year. The vocational choices are those recommended by the Department of Public Instruction for a large high school. Many of the courses offered in the business education department provide p r a c t i c a l business knowledge, skills, and ideals which are important in business and social living. These courses are offered as elective subjects to students enrolled for the general or college preparatory courses.—Ronald M. Lawhead, Department Chairman.

ENGLISH DEPARTMENT—The ability to communicate with others is more important now than ever before. In order to instill an appreciation of literature, an understanding of basic vocabulary, and clearness of speech and written composition; the English Department has patterned its teachings to meet the varying needs and abilities of its students of offering a three track program.

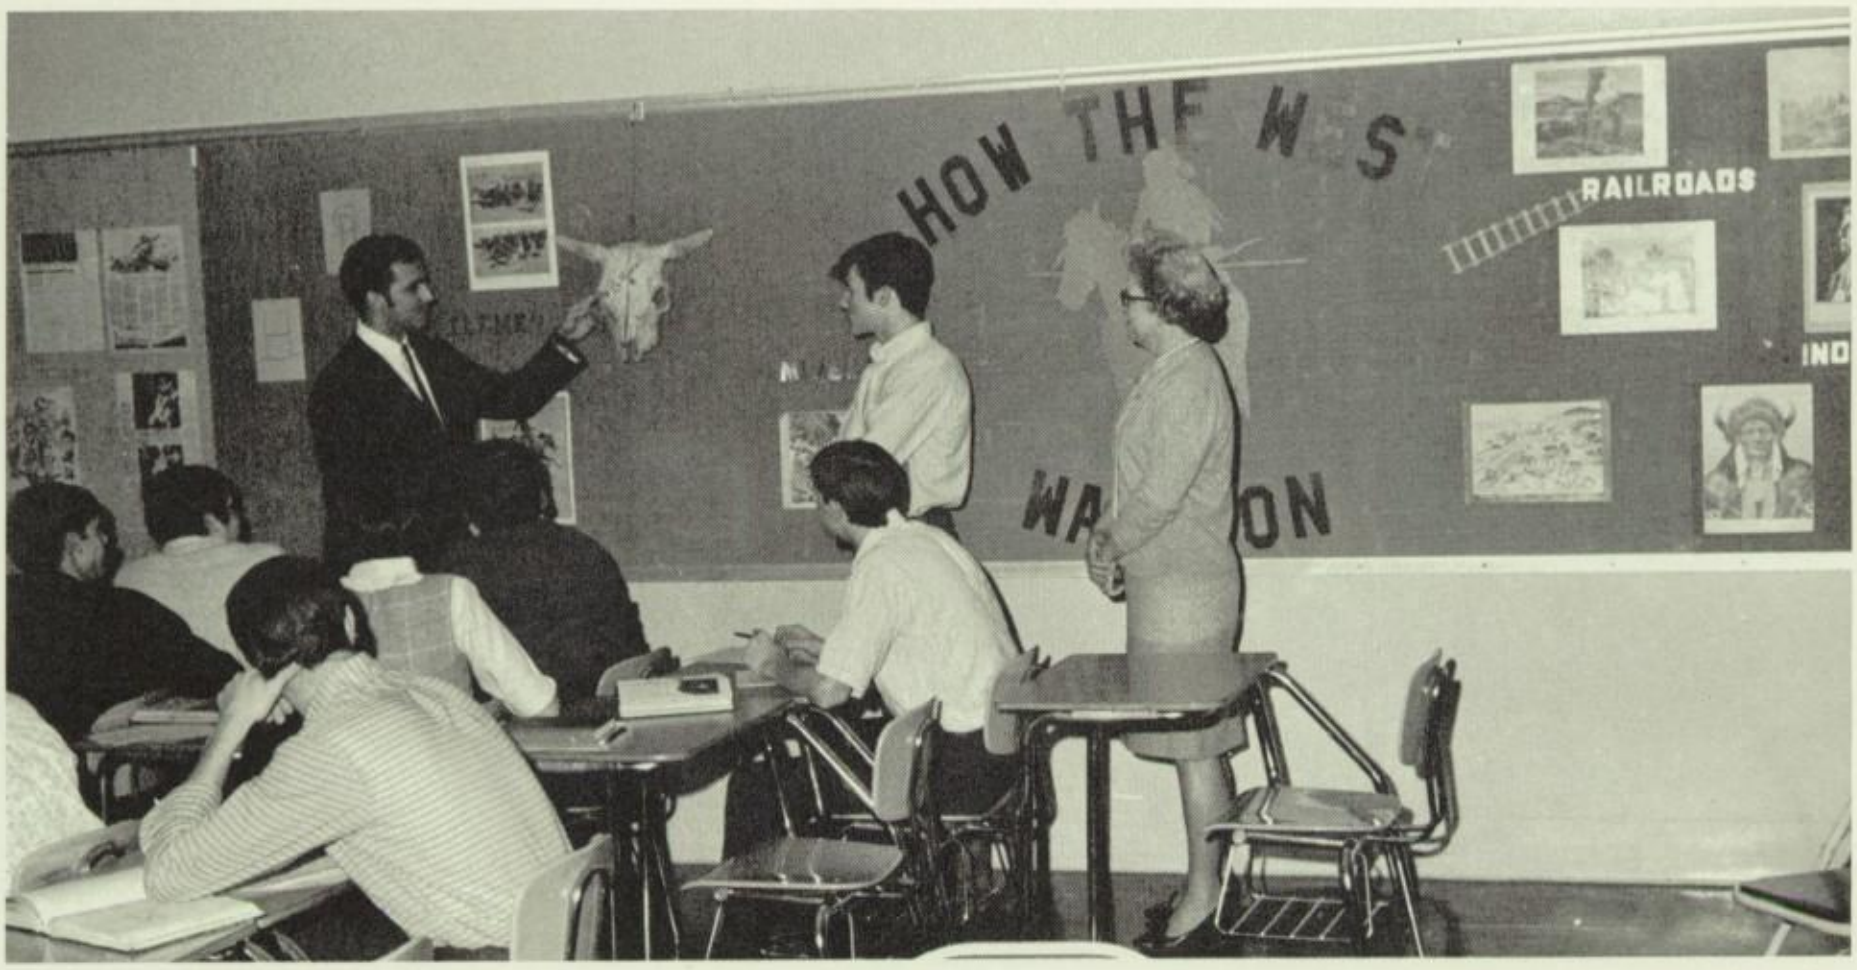
The classes are not devoted entirely to formal teaching, as the students are encouraged to participate in dramatization, panel discussions, and committee work. For those who excel in literature and creative writing, Advanced English is available by taking a precourse test. Open to seniors it helps prepare these students for advance placement English. For those interested in scholastic journalism and the fundamentals of newspaper writing, Journalism I and II are offered.—Martha E. Campbell, Department Chairman.

GUIDANCE DEPARTMENT—The guidance program is an invaluable part of the functioning of any modern high school. Its main objectives are to assist each student to adjust to his present school and home life and to plan for a successful future whether it be college, career, civil service, or homemaking. Individual counseling is a face to face relationship in which the counselor and counselee together talk through a problem for the purpose of helping the counselee gain an insight into his problem, plan a course of action, reach a decision, and assume responsibility for that decision.



HEALTH AND PHYSICAL EDUCATION DEPARTMENT—A physical education program is designed to meet the needs and interests of all participating students. Controlled experiences not only provide for physical growth, but also for the mental and social development of each child.

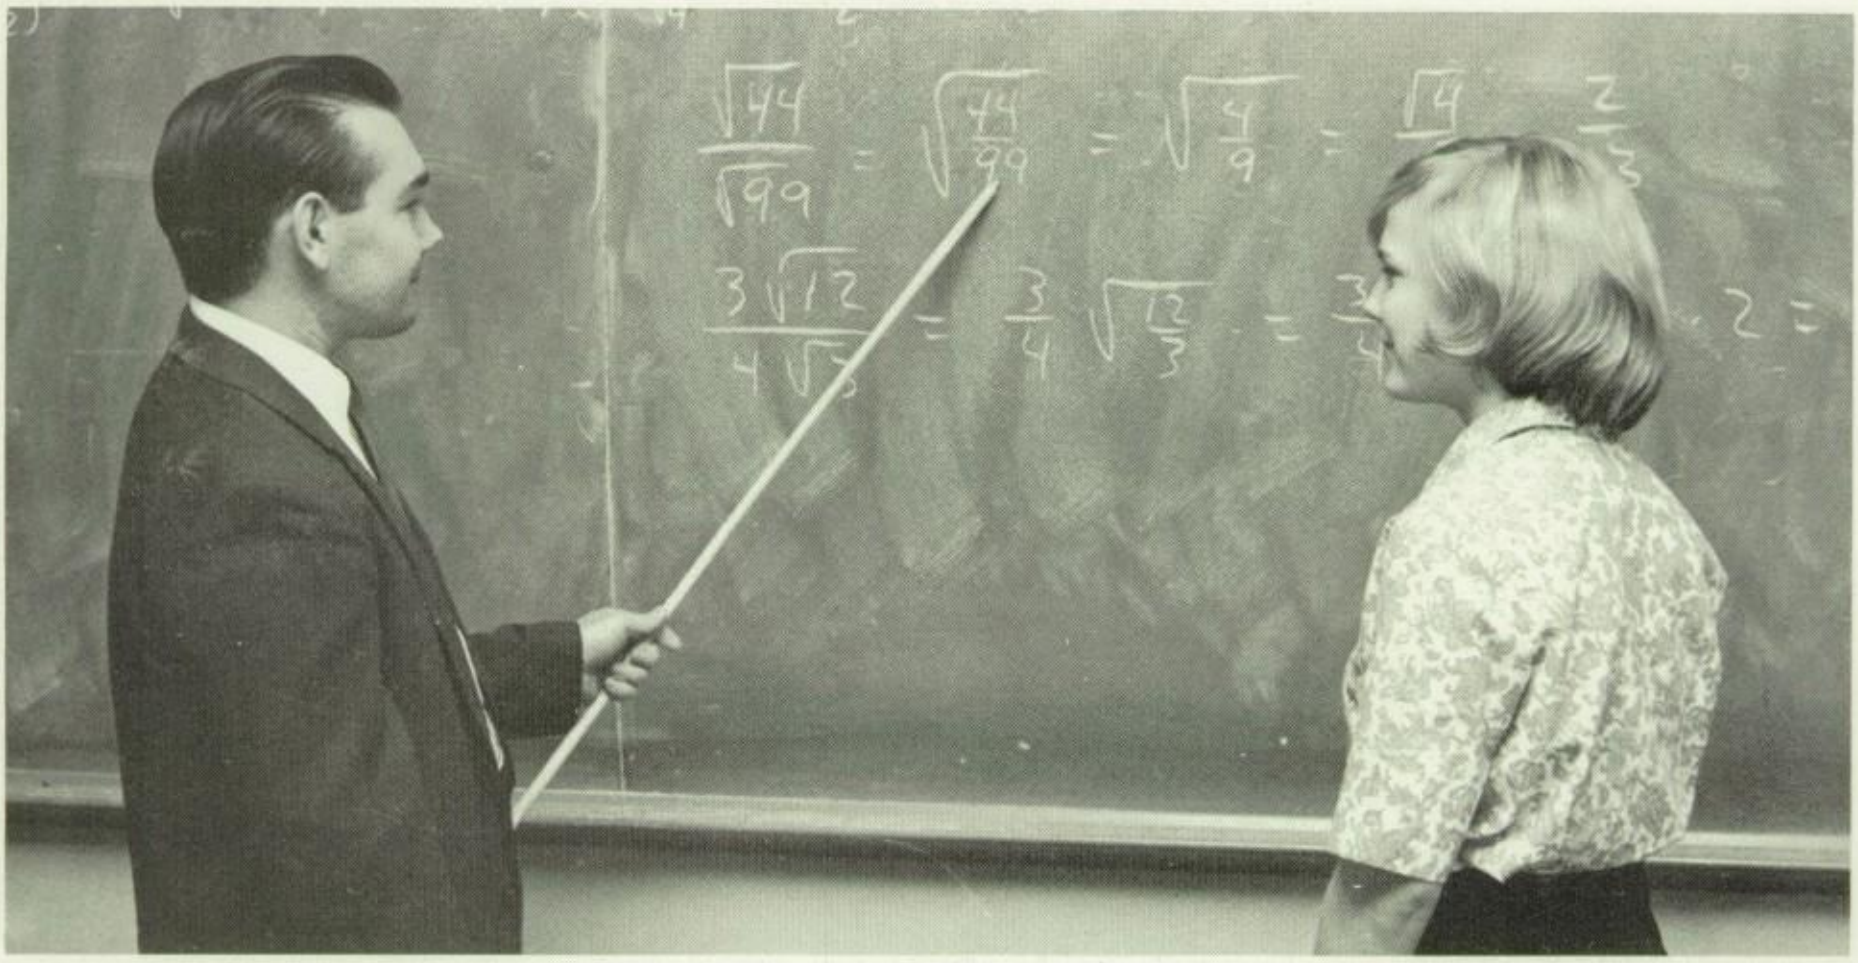
The physical aspect implies the organic development of the individual. This is attained through activities and experiences offered, which have as their goal the development of endurance, agility, skills, versatility, strength, and efficiency of movement. The outcome sought through this area are only a part of the total picture of a well-adjusted student.—Thomas J. Carroll, Department Chairman.



HISTORY AND SOCIAL SCIENCE DEPARTMENT—The aim of the social studies department is twofold: first, to present history as real people meeting real problems in former eras of American history and in other societies in World Cultures; second, to emphasize the obligations and the power of the individual in present day society. In American Government, students learn to realize that there are many ways in which they may become a useful, responsible member of their world. They learn how their decisions and actions have a direct and important effect on society.—Pamellia G. Erickson, Department Chairman.

LANGUAGES DEPARTMENT—The foreign language department offers instruction in French, German, Latin, and Spanish. The language laboratory enables the students to learn the modern languages by audoral techniques. However, the primary aim of the department is not only to acquaint the student with the spoken language but also with associated literature and culture. By a study of other languages, the student learns to understand and appreicate his heritage and at the same time remove the language barrier to international understanding.—Elizabeth R. Elder, Department Chairman.

LIBRARY DEPARTMENT—The increased use of the high school library for reference has been noted as a nation-wide trend. Daily records indicate that our own library follows this trend. As is sometimes true, total attendance or circulation figures cannot tell the full story. It must be measured by the number of different classes or subject areas preparing assignments in the library as well as repeated use of the same book or magazine during a class to visit to the library. Also, when a collection of material is used in the classroom it is impossible to keep a record. These are intangibles but the results of the Iowa tests for the past years in the category, Use Of Source, are tangible evidence of its effect.



MATHEMATICS DEPARTMENT—The mathematics department offers complete preparation for those students who wish to become scientists or engineers. Having had Algebra I and Algebra II in the junior high schools, they may take modern geometry, pre-calculus, and a full year of calculus in the senior high school. The liberal arts student may also prepare himself mathematically by taking Algebra II, plane geometry and an integrated course in college algebra and trigonometry.

Applied mathematics and general mathematics also offered for these people who do not want to prepare for a career requiring more mathematics but must satisfy the state requirement of one year of mathematics in senior high school.—J. Herbert Swartz, Department Chairman.

MUSIC DEPARTMENT—A wide variety of courses, class, and performing groups are offered by the Music Department to stimulate the thoughts, understanding, and appreciation of music in our society. General Music, Music Appreciation, Theory, or Instrumental Music are open to all students. The Glee Club, Marching Band, and Symphonic Band's memberships are determined through personal auditions.

Credit is given to the students who participate in the major performing groups which perform daily. In addition to the orchestra, which rehearses twice a week, the music department sponsors several vocal and instrumental ensembles that provide practical experience for the more talented students and broaden the performance aspect at school and civic functions.—Paul Lucas, Department Chairman.

SCIENCE DEPARTMENT—The Science Department offers courses to prepare students for any area of advanced study in science or engineering and most occupations where a general background in science is desirable. Conventional as well as modern approach courses are presented in well equipped classroom laboratories.—G. Glendon Weeks, Department Chairman.

SPECIAL EDUCATION DEPARTMENT—The Department of Special Education is one of the busiest most integrated departments in the school. Academically, the department not only serves the needs of those pupils who function at a low academic level but also is available for the students in need of remedial work in arithmetic and English.

Open to juniors and seniors in Special Education is the Work Experience Program which has gained statewide recognition. It gives those pupils who are eligible an opportunity to receive practical work experience in local industry and business. Whenever pupils in Special Education show an ability to do work in any curricular area, the services of all the departments in the school are available to them.

SPEECH DEPARTMENT—The art of communication is stressed by the speech department in a variety of ways. Through the presentation of different speeches, students develop the ability to communicate, learn to listen to others, correct vocal weaknesses and learn to speak effectively in public. In addition, the department encourages students to respond to requests from club and church members in the community to speak about subjects pertinent to the occasion. In a more cultural vein, the department coordinates attendance at plays given by area colleges and Mercersburg Academy.—Virginia Lee Pollock, Department Chairman.

VOCATIONAL DEPARTMENT—The Vocational-Industrial Education curriculum on the secondary level includes any and all knowledge and training that will contribute to a satisfying and useful life of employment. Emphasis in the Chambersburg Area Senior High School is on preparation for entry into the occupational field of Auto Mechanics, Building Trades, Machine Trade, and Sheet Metal.

The Vocational-Industrial students spend one half of their time in shop and the other half in the academic subjects required for graduation. Vocational Education not only tends to prepare an individual to perform a job, but stresses character building and good citizenship. The goal, therefore, is to produce a competent worker and a citizen who is economically, socially, e m o t i o n a l l y and physically adjusted.—William J. Owens, Department Chairman.

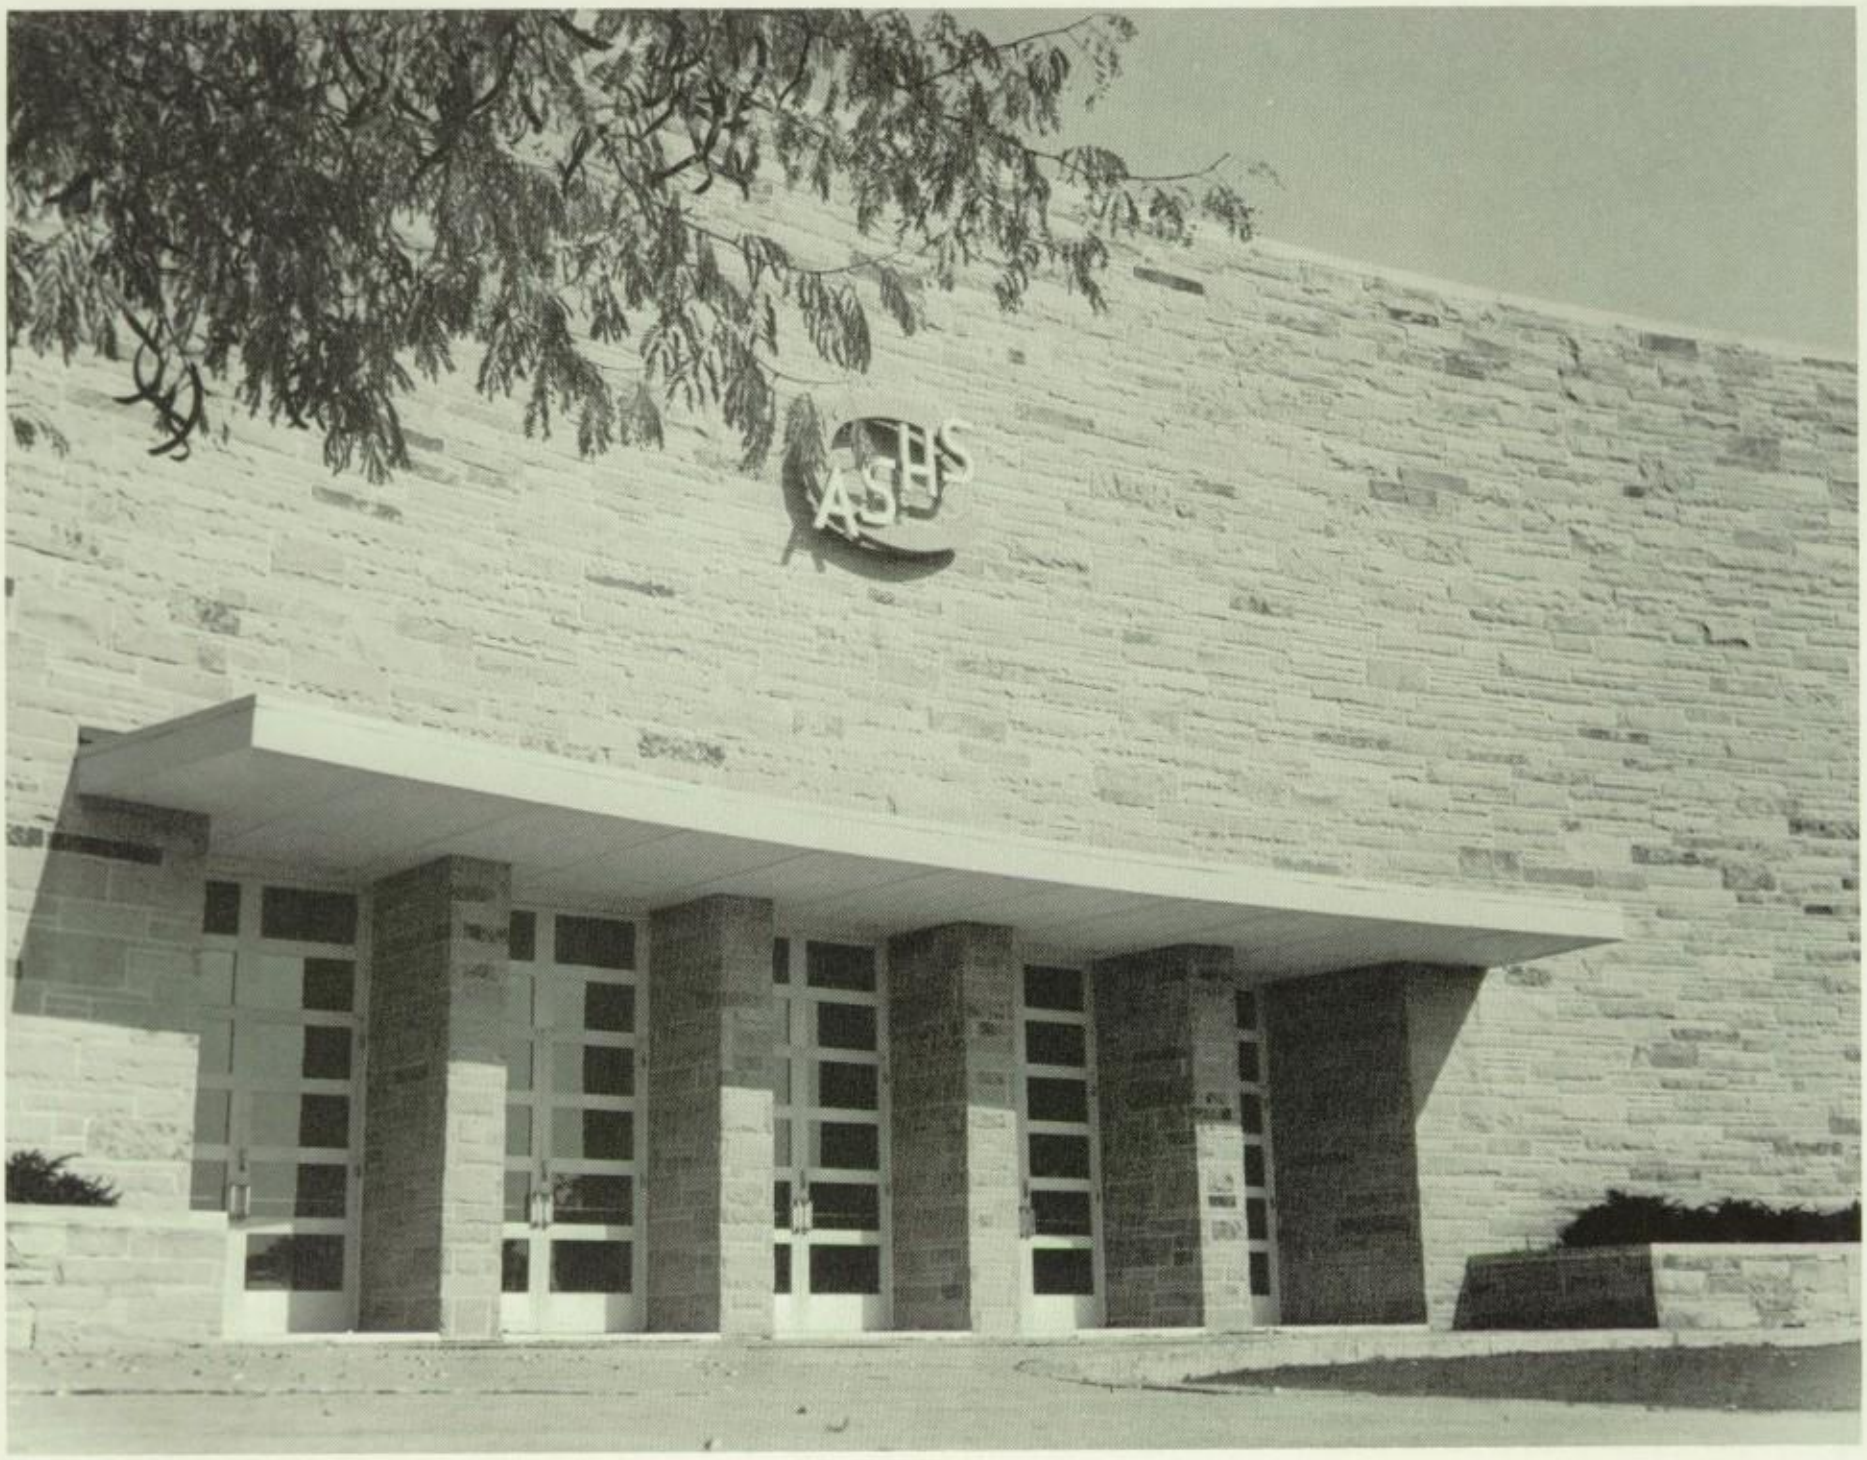
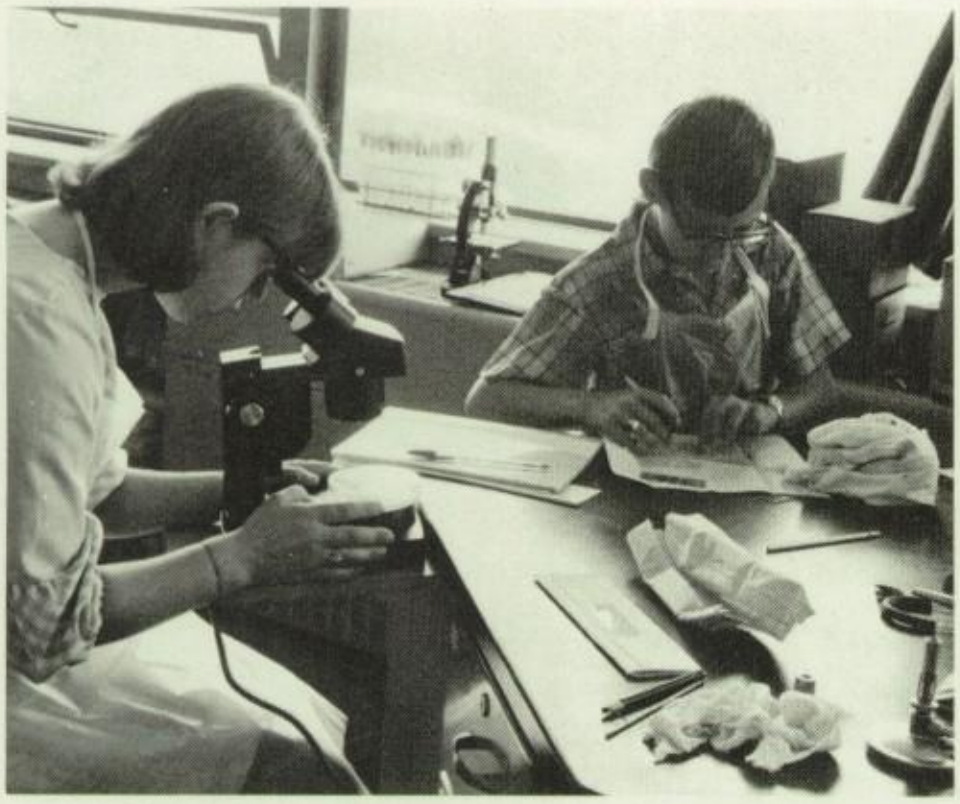
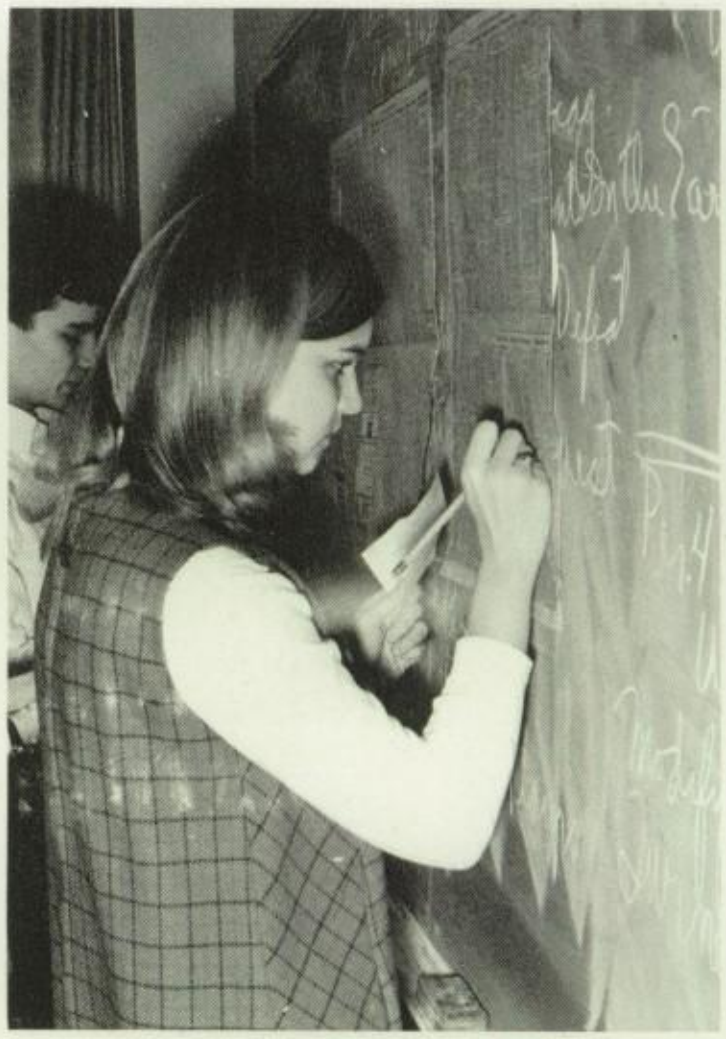
EXPLORATIONS IN EDUCATION



EDUCATION

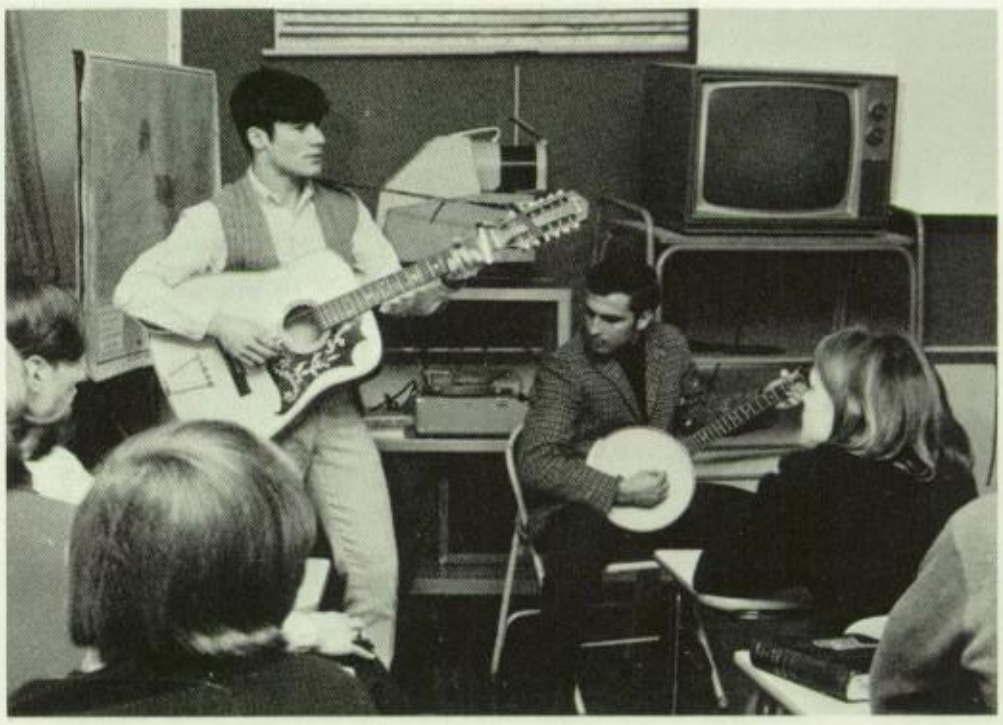


SUMMER VACATION FUN—Twenty students developed micro-techniques for six weeks in an enriched biology course instructed by Mr. Summers.

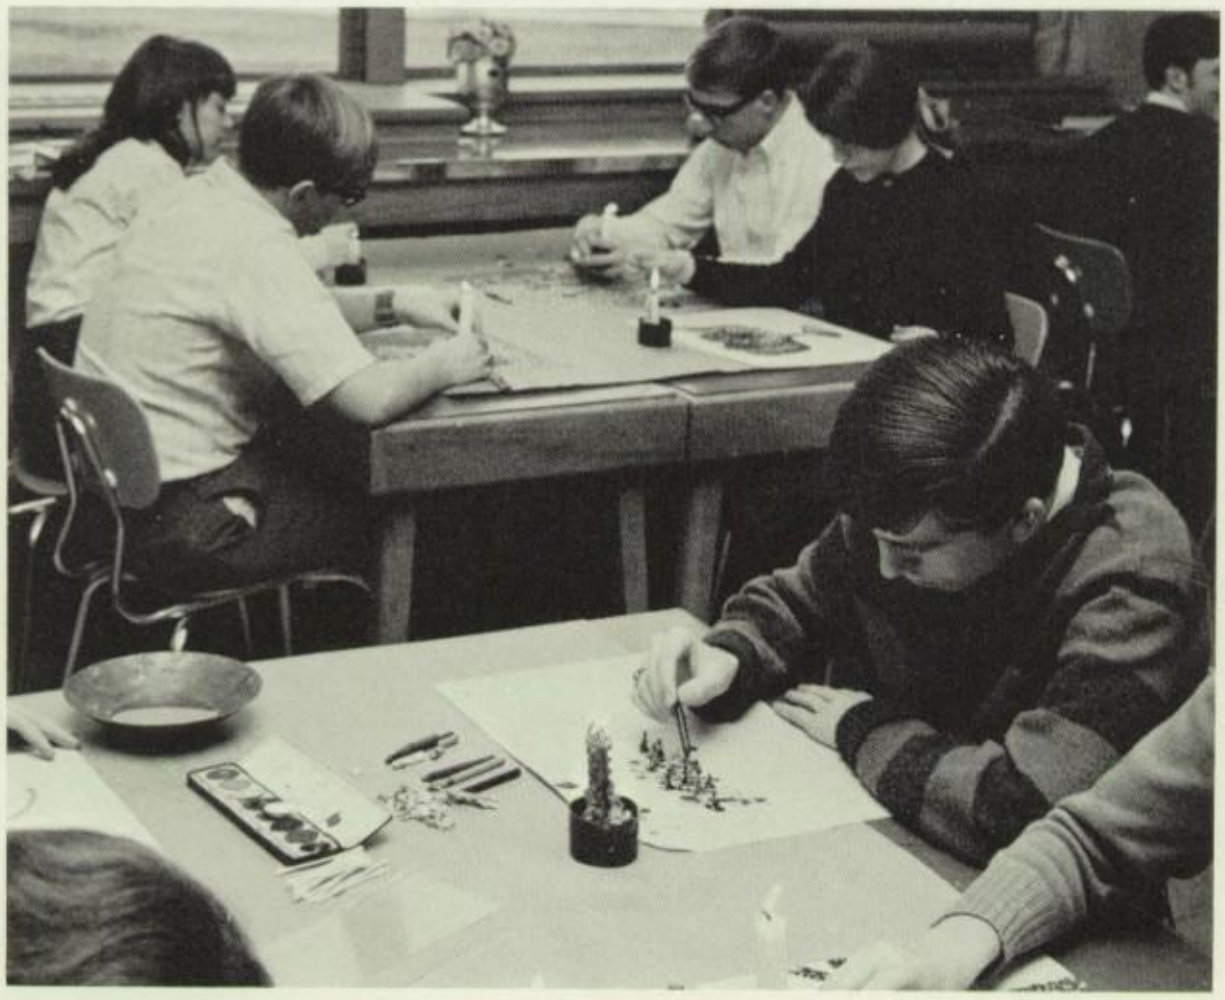


IT&T UP 2¼—Senior Barb Shaffer plots her stock earnings as part of a study on economics in American History.

EVERY LITTLE BIT HELPS—Mr. Weeks takes time off from lectures to demonstrate the theory of waves with springs.

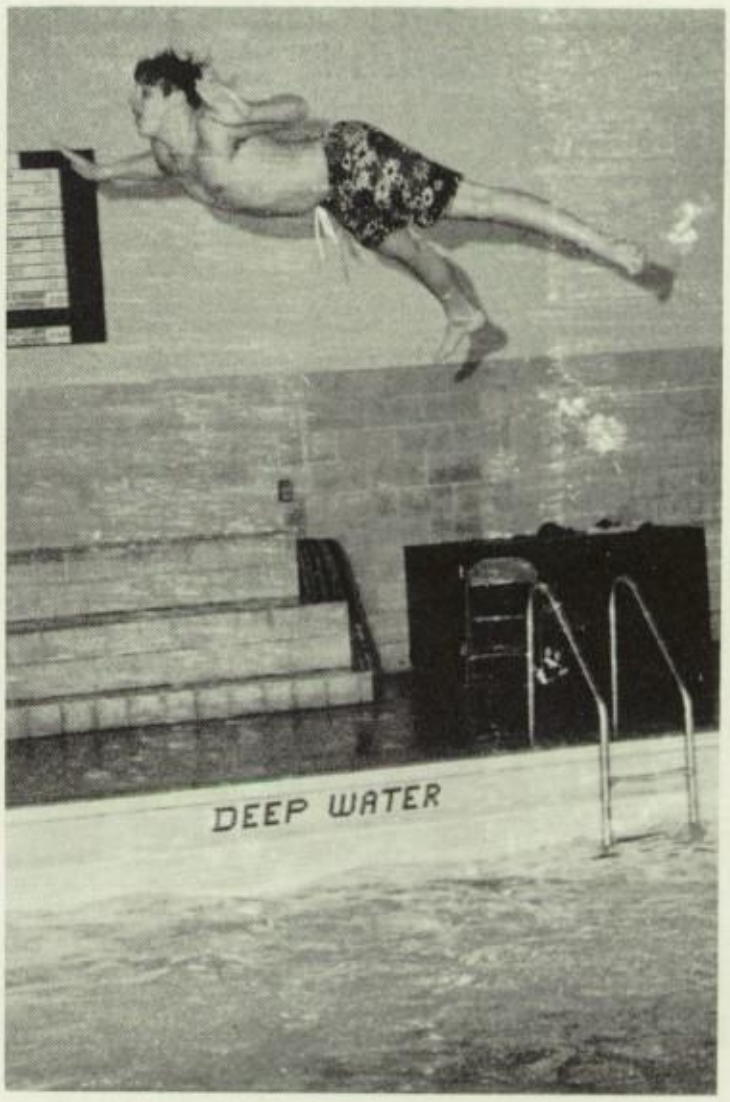


STUDENT TEACHERS ENLIVEN CLASSROOM STUDY—Mr. Doherty, student teacher under Mrs. Beard, and Tony Mellott present a representation of the developing west through folk songs.



NEW DIMENSIONS IN ART—A variation in the application of crayons provides an interesting class project.

YOU WON'T GO FAR ON AN EMPTY TANK—Students in the new driver education trailer experiment with driving but without the hazards.



BEAUTIFUL FORM—Junior Steve Caldwell is not quite as proficient at diving as he is at football.

STIMULATION

CASHS IS HOST—The Southern District Band Festival, under the direction of Lt. Col. Arnold Gabriel of the U.S.A.F., prepared and presented a work of musical art to the students and community.

IT'S THE ATOMIC AGE—Donn Fuller of the Atomic Energy Commission discussed the uses of atomic energy in various science classes.

IT'S GOOD FOR THE FIGURE—CASHS girls enjoyed this assembly by the Greencastle students and their student teacher, Miss Colleen Valachos, an Olympic finalist.

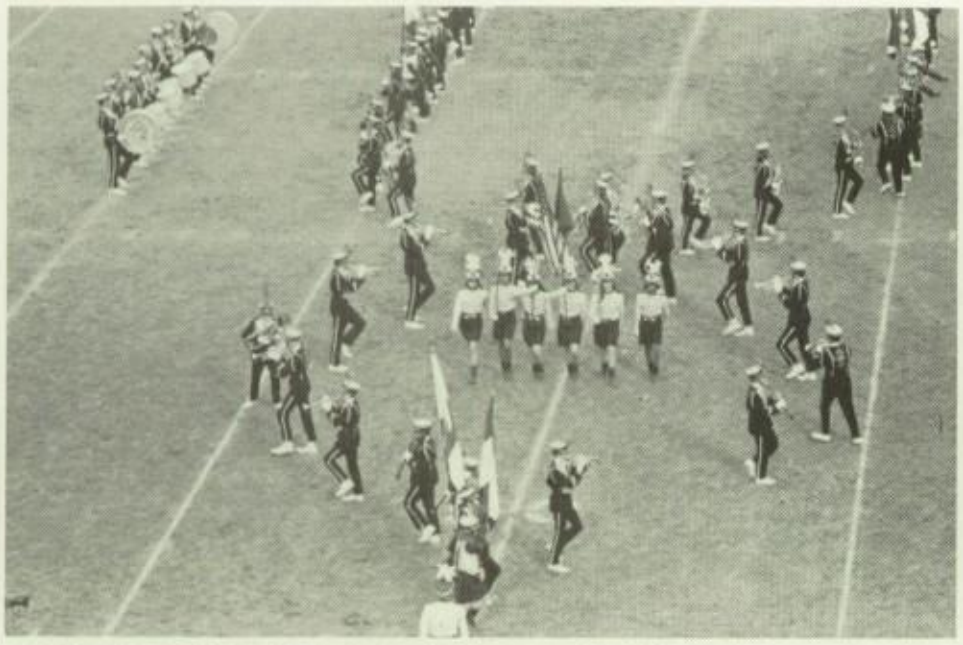
SORRY, NO AUTOGRAPHS—R.C. Owens, former football star, presented a stimulating movie and discussion of pro techniques during a CASHS assembly.

A FUTURE POLITICIAN?—Senior Bob Ziobrowski presents the views of the Democratic candidate, Hubert Humphrey, during a mock election.

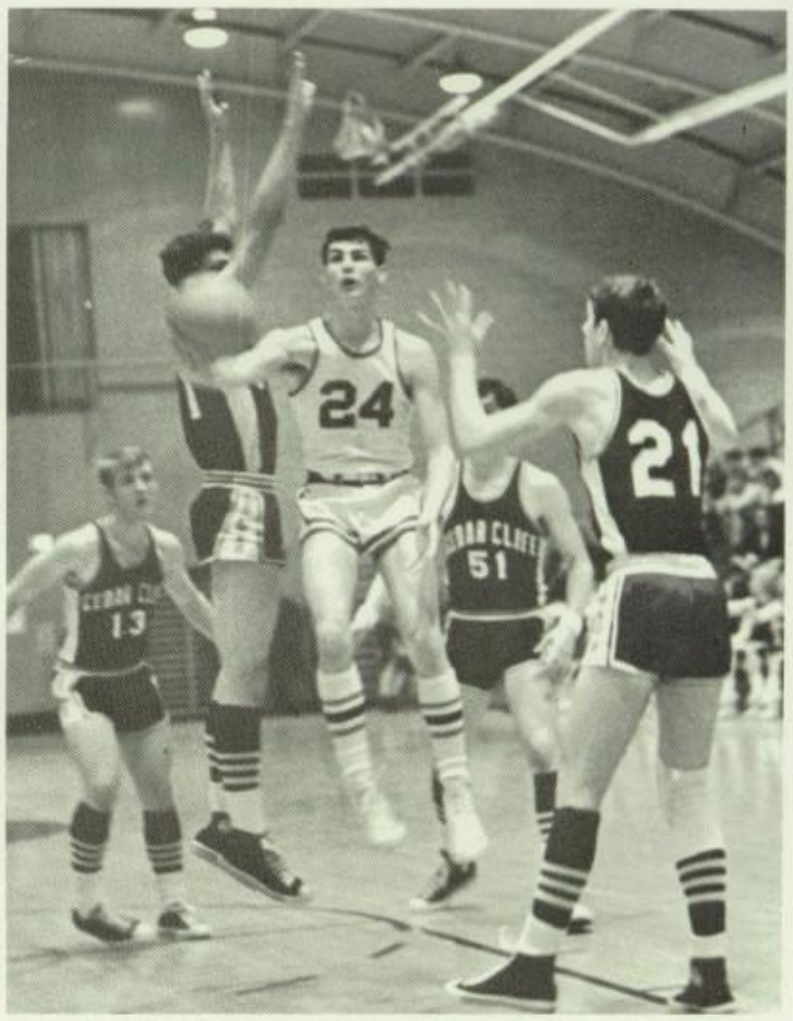
NERVOUS?—The remaining two candidates, Gary Bolesta and Bob Ziobrowski, and moderator Pete Blair listen intently to Republican candidate Glenn Perry.

IS WALLACE THE ONE?—The student body also participates in the election by demonstrating for their candidate.

EXPRESSION



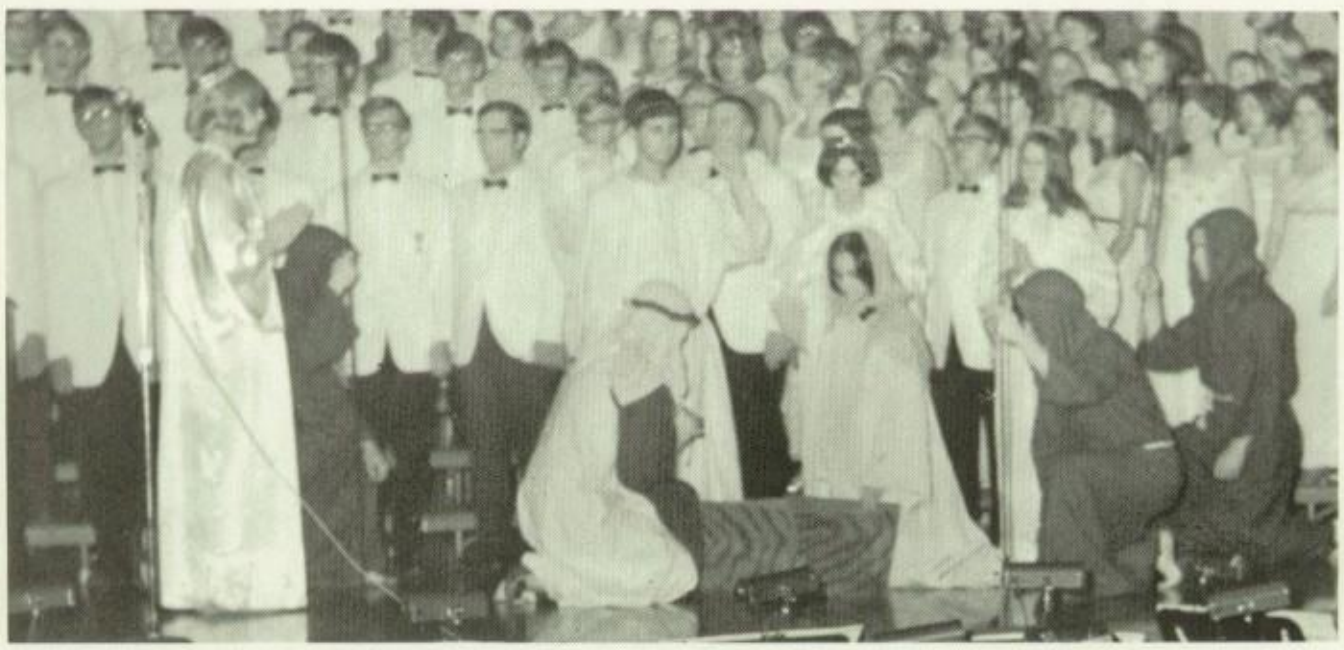
DIAMOND FORMATION-STEP 2,3,4—The CASHS band performs with perfection at the Baltimore Colts game.



SURROUNDED—Bob McDonald moves in for a lay up shot.

SEVEN KEYS TO BALDPATE—Raymond Barnhart, Ellsie Lawson, and Lonna Ellis play leading roles in the school play.

THE NATIVITY, A BEAUTIFUL REPRESENTATION—The annual Christmas tableau is presented with the usual grace and solemnity.



"IT SAYS RIGHT HERE"—National Merit Scholars Robert Rector and Lee Solomon are examples of fine scholastic achievement.

TOO BAD—The Esquires support Nancy Diller in the Christmas song, "I'm Getting Nothing for Christmas".

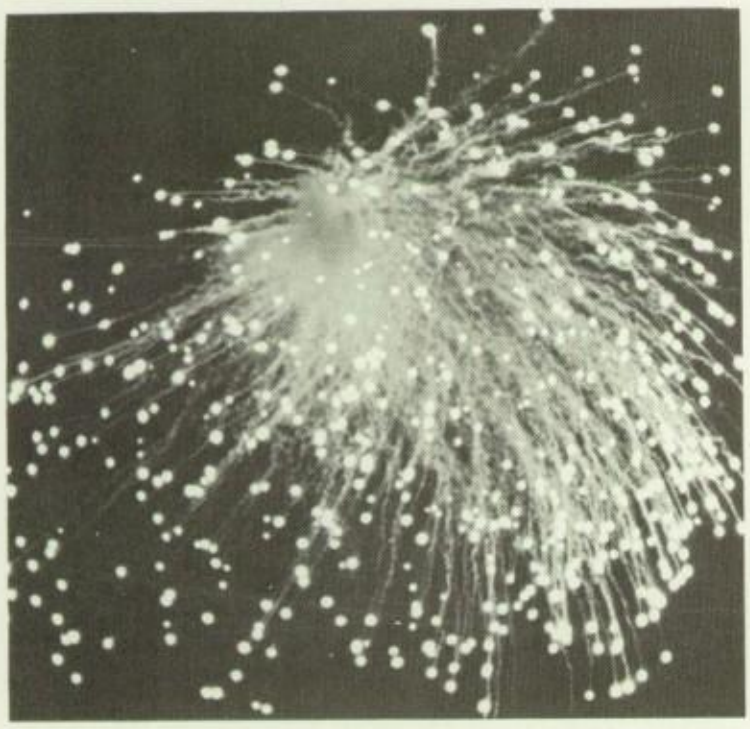
THE GIRLS HAVE THEIR GLORY TOO—Senior DeMaris Waters, member of the Girl's Basketball Team, is cheered on to victory.

I'D WALK A MILE . . .—and they do! Members and director enjoy summer band camp.

DOING YOUR OWN TELEVISING?—Senior Charles Bender displays his vidicon camera which he assembled himself.

LET'S GO TROJANS—CASHS cheerleaders lead the grandstanders in cheers for the victorious gridmen.

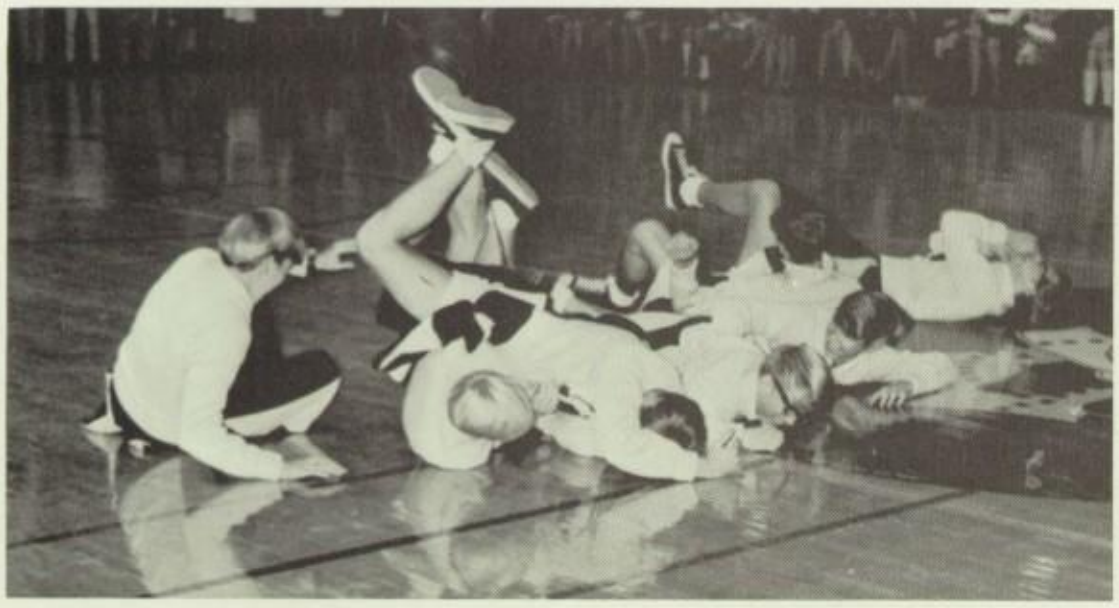
ALL ABLAZE—This cascading firework exemplifies the exuberant spirit of CASHS at work and in play.



T-R-O—Booster Club members aid the cheerleaders in leading the student body in cheers.

ON THE SIDELINES—Members of the Trojan football team are buoyed by the spirit generated at the pep rally for the upcoming game.

VICTORIOUS GRIDMEN?—Cheerleaders give their rendition of the football players to stimulate school enthusiasm.



THEY ARE CUTE, BUT. . .—The boys take a turn at poking fun at the cheerleaders.

VICTORY—The cheerleaders cry for a Trojan victory.

ANTICIPATION

THE END IS COMING UPON THE SENIORS RAPIDLY—Ordering announcements is just one task of many to be remembered as graduation approaches.

AFTER HIGH SCHOOL WHAT?—Seniors Bob Ziobrowski and Meg Boyce contemplate future plans at the Guidance Office.

IT'S A BIG DAY FOR JUNIORS . . .—Class rings are compared by the admiring juniors.

WILL I EVER MAKE IT?—4'6" sophomore Eugene Auman stretches his neck to see the top of 6'4" Gordon Browne's head.

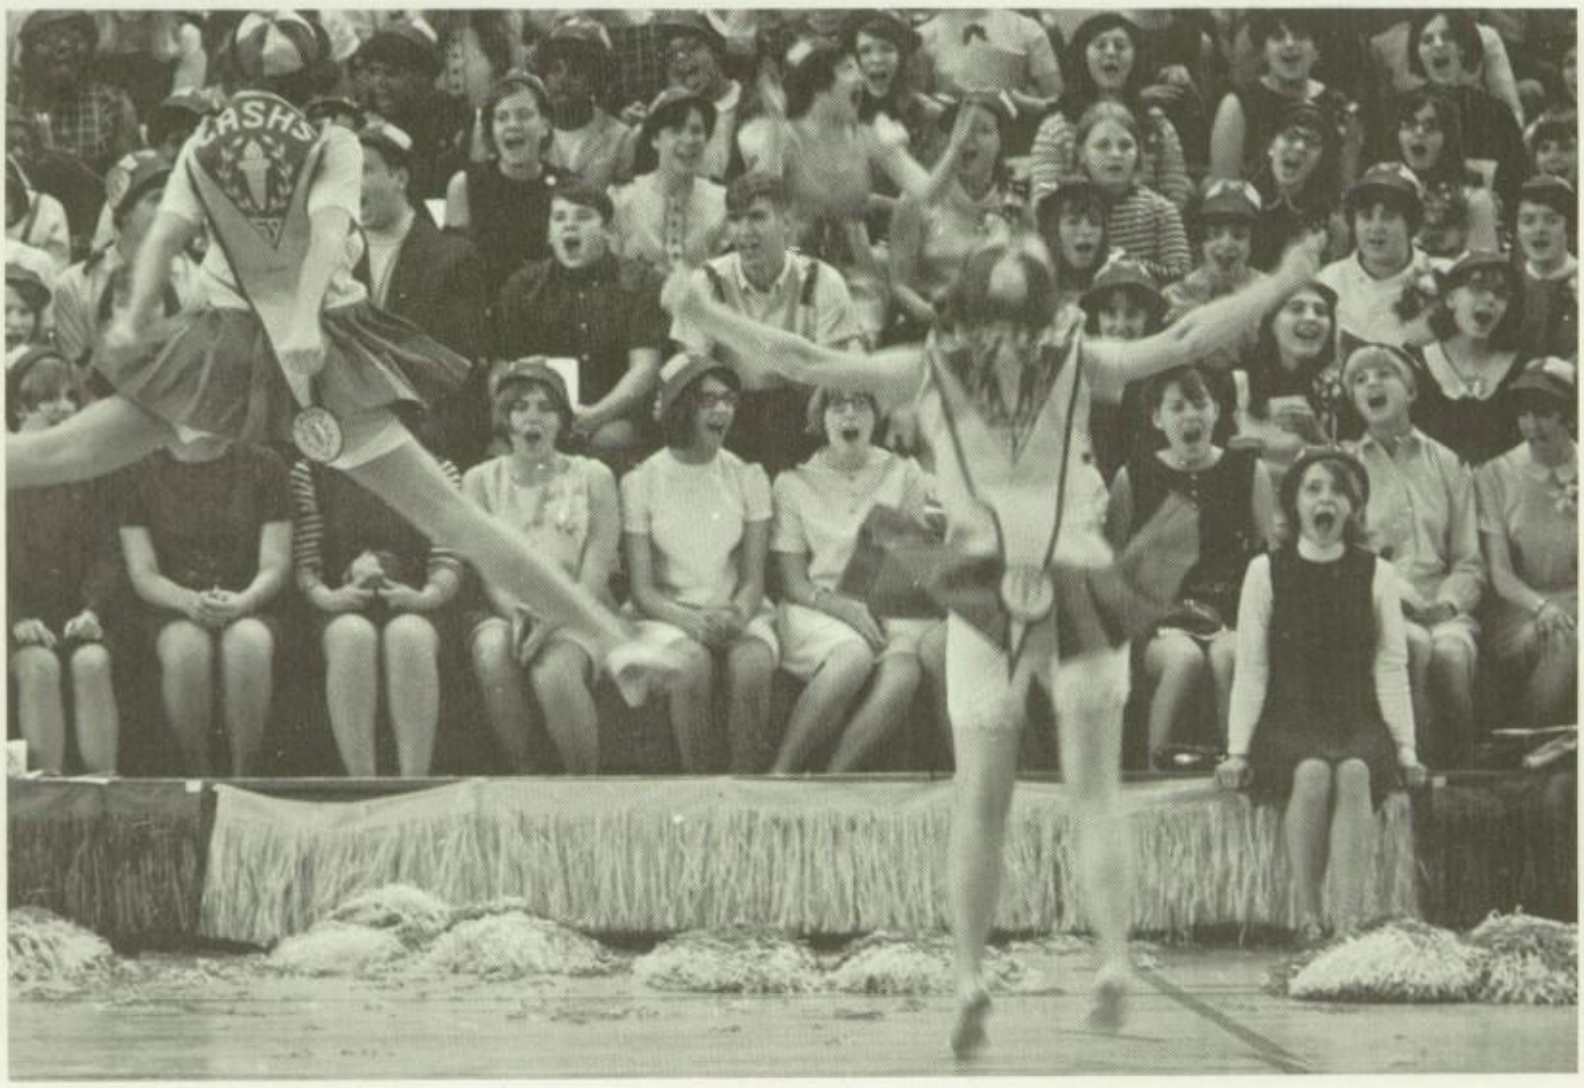
. . . BUT A BIGGER ONE FOR SOPHOMORES.—The presentation of the class colors is the big event of the sophomore year.

CELEBRATION

THE THEME OF '68 COLOR DAY—The king and his pages await the color day pageantry.

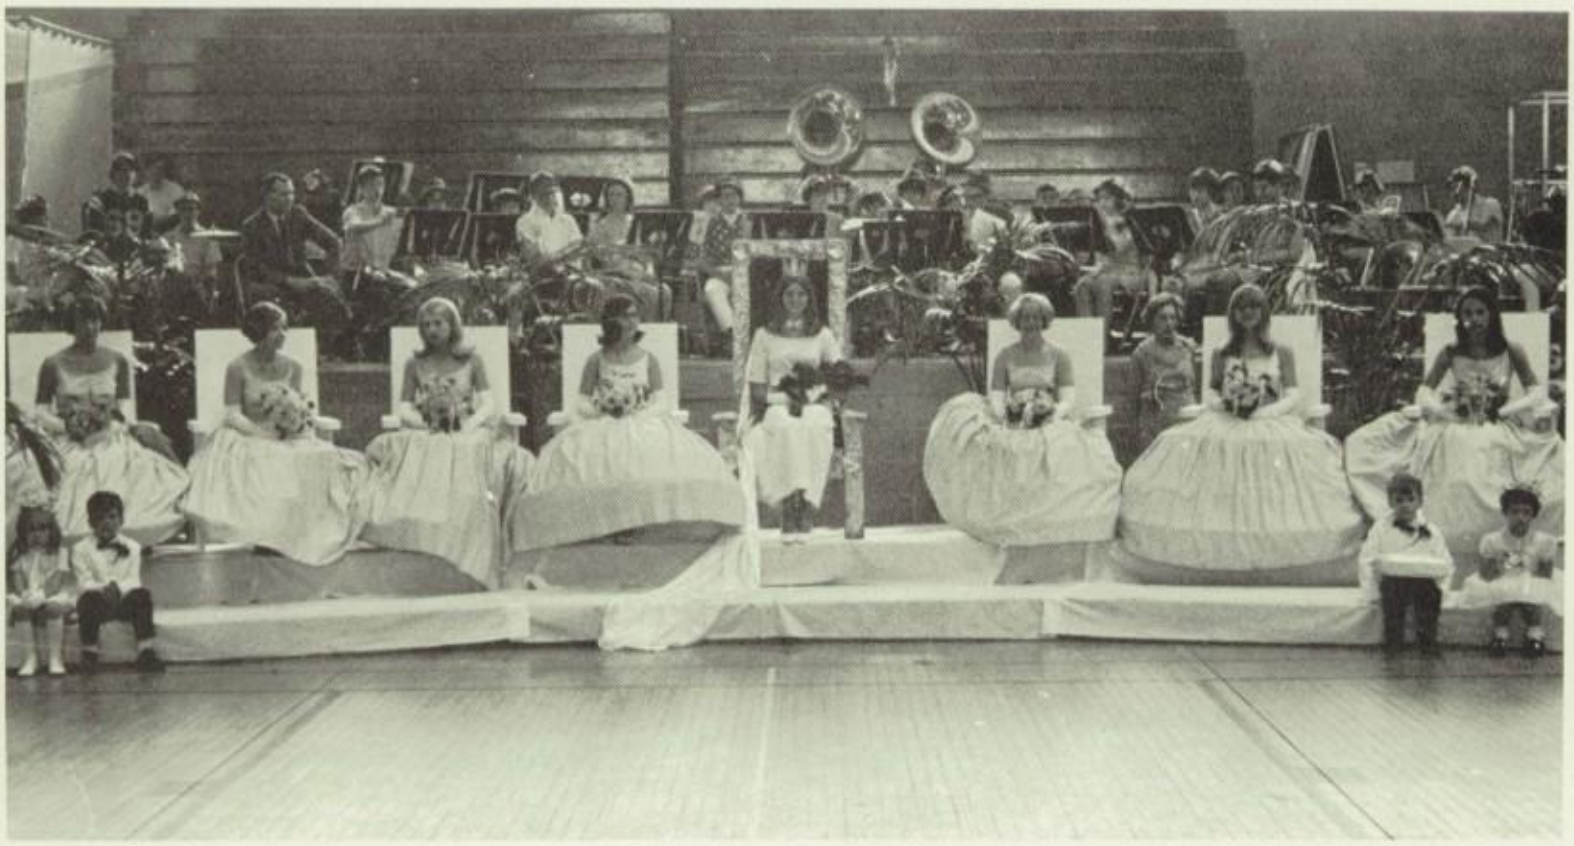
"HUMPTY DUMPTY HAD A GREAT FALL"—One of the many acts of Color Day '68.

"ALWAYS STRIVING FOR THE BEST"—The seniors cheer their class as the best ever.



THE QUEEN—Sue Frazer reigns as Queen of the '68 Color Day.

THE QUEEN AND HER COURT—Sedately the Queen and her attendants watch the festivities.

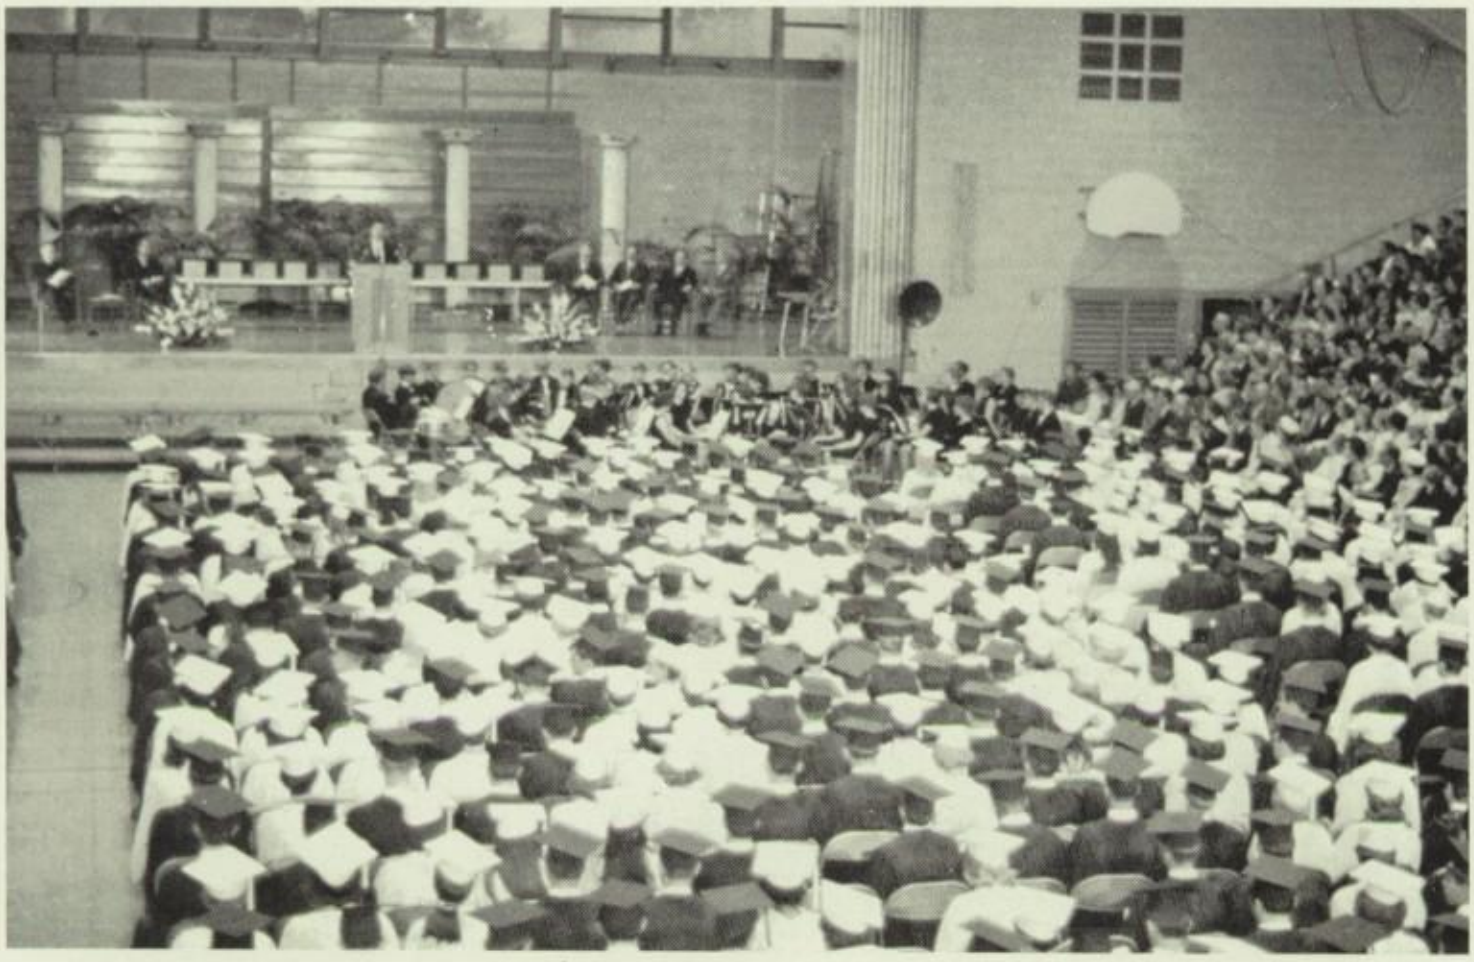


GRADUATION

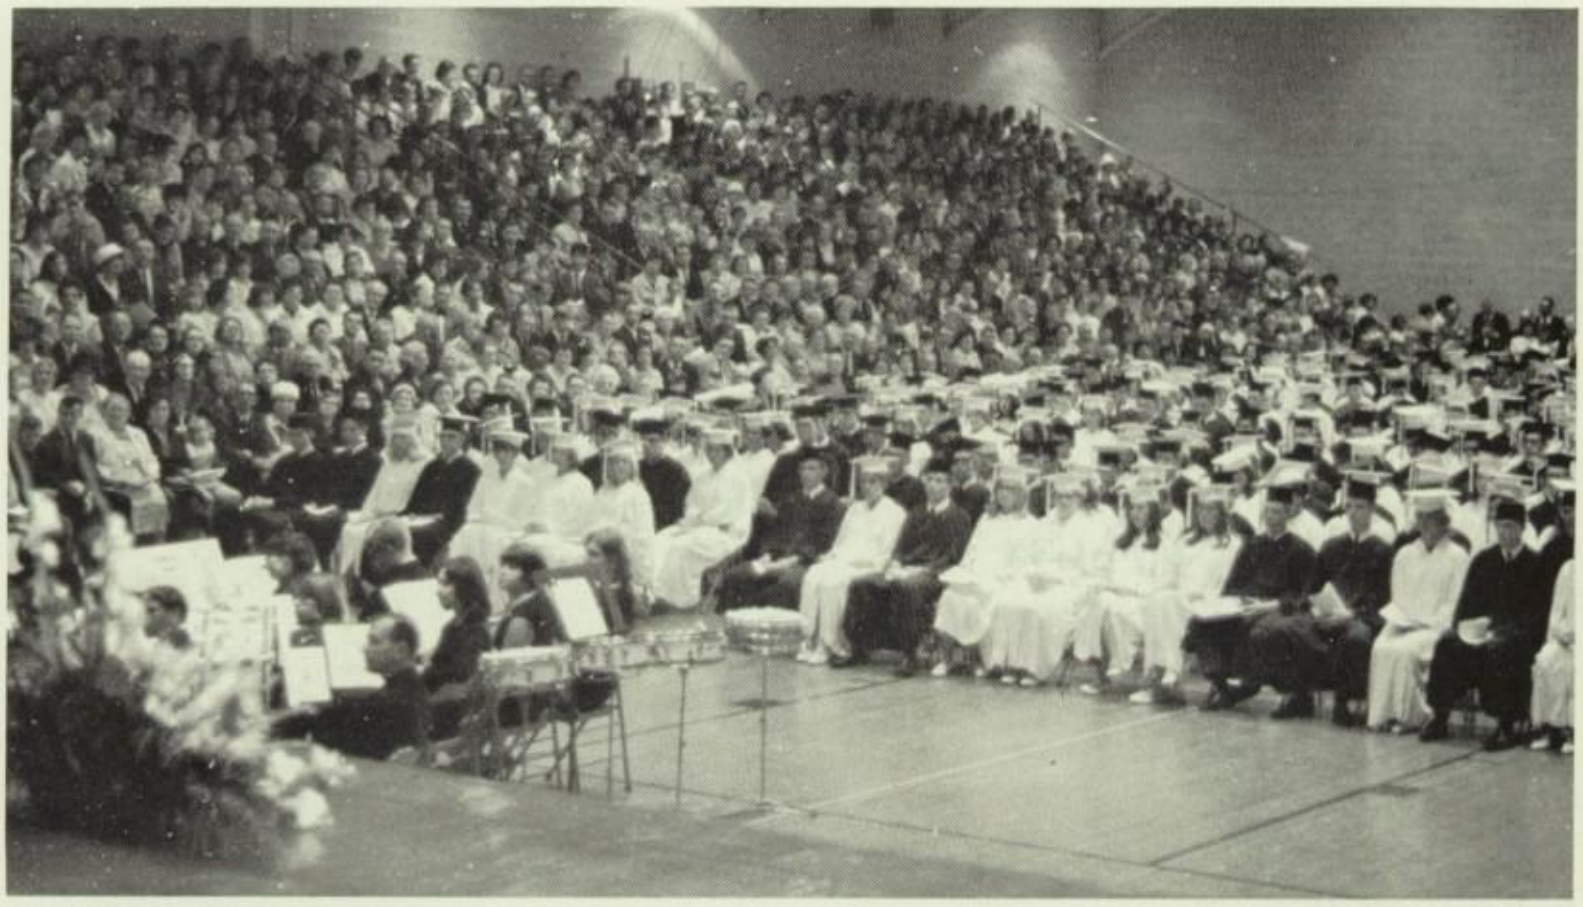
"I COULD HAVE DANCED ALL NIGHT"—Oriental Fantasy was the theme of the '68 prom.

A FINE REMEMBRANCE—Students pose for a picture against the setting of the all night party.

IT'S JUST THE BEGINNING—Students still have all night to dance to the sounds of the Emperors and enjoy the many other activities provided at the party.



LOOKING BACK ON HIGH SCHOOL—Students anxiously await the presentation of their diplomas.



LOOKING FORWARD TO THE FUTURE—Graduates are solemn as they contemplate the message of the speaker, Mr. Arthur Zito.

MOTTO

Always striving for the best, 69 will lead the rest.

SONG

We are the Seniors at C-burg high,
We are the class that will reach the sky.
Our blue and gold we will wear with pride,
And honor always will be our guide.

Striving always to be the best,
We are the class that will lead the rest.
We'll forge beyond all the reach of time,
We are the class of 1969.

CHEER

Always striving for the best,
"69" will lead the rest!
Our Class motto we'll uphold,
To honor colors blue and gold!

They're worn to represent our pride,
For we're the class that really tried.
To each of us it is a sign,
For we're the class of "69"!

CLASS OF 1969
100th GRADUATING CLASS

After three years of hard work, toil, and a little bit of fun, the class of 1969, 100*th* graduating class of CASHS, has finally made it! Here is a chronicle of the events of the last three years.

The sophomore 1966-67 school year for our class was an exciting one. The students first elected class officers who were as follows: President, Chuck Rahauser; Vice-President, Mike Wagner; Secretary, Peggy Burch; Treasurer, Tom Gartside; and Historian, Tom Sites. The advisers were Mrs. Beard, Mr. Harding, and Mr. Paul.

The Color Day preparations were soon underway. The 1969 blue and gold class colors were purchased for $7.50. The sophomore attendants were Peggy Burch and Sue Miller.

After a vacation of three months, the class was ready to start the 1967-68 school year. The officers for that year were the same except the Vice-President was Denny Ausherman and the Treasurer was Joan Cormany.

The junior year was the start of our candy sales. We sold Ocker's Peanut Brittle and Klein's Chocolate Bars. Our class made $5,000 selling the candy. That year was also when we received our class rings, which were purchased from the Balfour Company, a few days before Christmas vacation.

The TROJAN STADIUM sign a-top the press box was presented to the school for our class gift at Color Day. The attendants for the Color Day court were Peggy Burch and Joan Cormany, with Sue Miller serving as Maid-of-Honor.

Following tradition at CASHS, the Junior Class sponsored the Spring Prom held on May 3*rd*. The class council and advisers decorated the gym to the theme of "Japanese Fantasy."

The 1969 senior year is the most important one. The officers for our final year at CASHS were the same as the junior year.

We made $5,000 selling candy that year or a total of $10,500 during the two years of sales.

Sue Miller was elected queen of our Color Day court with Judy Tolbert and Joan Cormany acting as her senior class attendants.

The seniors journeyed to New York for their class trip on May 26-28. The biggest event of their twelve years at school, graduation, took place on June 3*rd* followed by their All Night Party.

Although it took a lot of studying and worrying to graduate, it also included a great deal of fun and will always be remembered as the best days of our lives.

AMERICAN FIELD SERVICE STUDENT

Ismail and American family play a game of Twister.

Ismail learns a new sport of ice skating with Kenny and Barb.

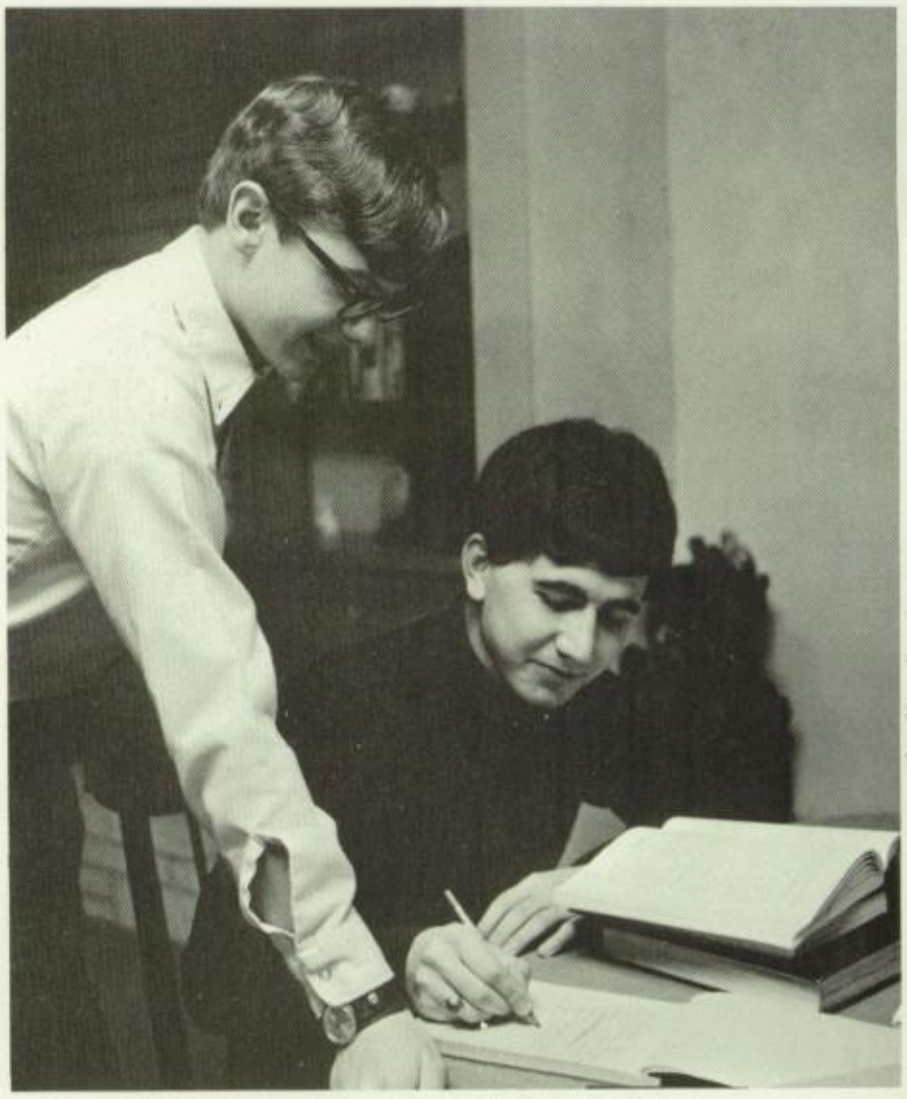
ISMAIL SENEL
Foreign Exchange Student

CASHS is fortunate to have attending its classes Ismail Senel, 1969's foreign exchange student from Turkey. Ismail's family consists of his father, a barber, his mother, a housewife, his two sisters and one brother. He is currently a guest in the home of Mr. & Mrs. Robert Dilling and their two children, Barbara, and Ken, who is Ismails' American brother.

Ismail finds the students and faculty at CASHS warm and friendly and enjoys his subjects. In Gaziantep, the teachers change classes instead of the student, and the students attend only a half day of school. Also in Turkey, 15 subjects a year are required. Ismail feels that he is privileged to have the opportunity to stay in America and learn about American people.

The busy AFS student is active in student council and gives about 2 speeches a week to various clubs throughout Chambersburg.

The student body and faculty of CASHS have enjoyed Ismail's visit and wish him the best of luck in the future.



Kenny and Ismail are hard at work with books.

Host family, the Dillings, pose for a formal portrait with the new foreign exchange student, Ismail Senel. Seated: Linda, Mrs. Dilling, Barbara. Standing: Kenneth, Mr. Dilling, Ismail.

SONG

We are the class that's starting out the decade;
We'll strive to lead it forward without fear.
With colors red and white, we'll all stand up and cheer.
70's the best; yes, 70's the best;
Oh yes, 70's the best darn year!

So with some work and faith and hope, we'll lead you.
Our class will stand the test throughout the years.
And for the greatest year, we'll all stand up and cheer:
70's the best; yes, 70's the best;
Oh yes, 70's the best darn year!

CHEER

Rocket of the future, soaring through the sky,
Help us reach our goal here in C-burg High.
We're the class of '70, the strongest of them all.
And for our colors red and white,
We'll fight and never fall!

ART CLUB

The most outstanding art students of the sophomore, junior, and senior classes comprise this year's Art Club.

Funds obtained through bake sales, a Christmas Bazaar, and various other projects enabled the club to attend the National Gallery of Art in Washington D. C. This trip further acquainted its members with the field and mystery of art.

Hoping to gain still a further understanding of this culture, the club viewed film strips and demonstrations, listened to guest speakers, and participated in various art projects throughout the year.

Mr. MacClay explains different art forms utilized in various periods of furniture to the officers of the Art Club. Seated: Robert MacClay. Standing: D. Englerth, L. Tosh, C. Bittinger, and S. Bassler.

BOOSTER CLUB

Booster Club is an organization of sophomores, juniors, and seniors who are attempting to promote school spirit and set a precedence for good sportmanship. Some of the responsibilities of the club are to make the bust-aways for wrestling, basketball, and football games and individual signs to post throughout the school. Members sit together at pep rallies to support the efforts of the varsity and junior varsity cheerleaders. The main purpose of the club is to boost the spirit of CASHS.

OFFICERS

President ..... Carroll Rhodes
Vice-President ..... Carol Johncour
Secretary ..... Sue Humelsine

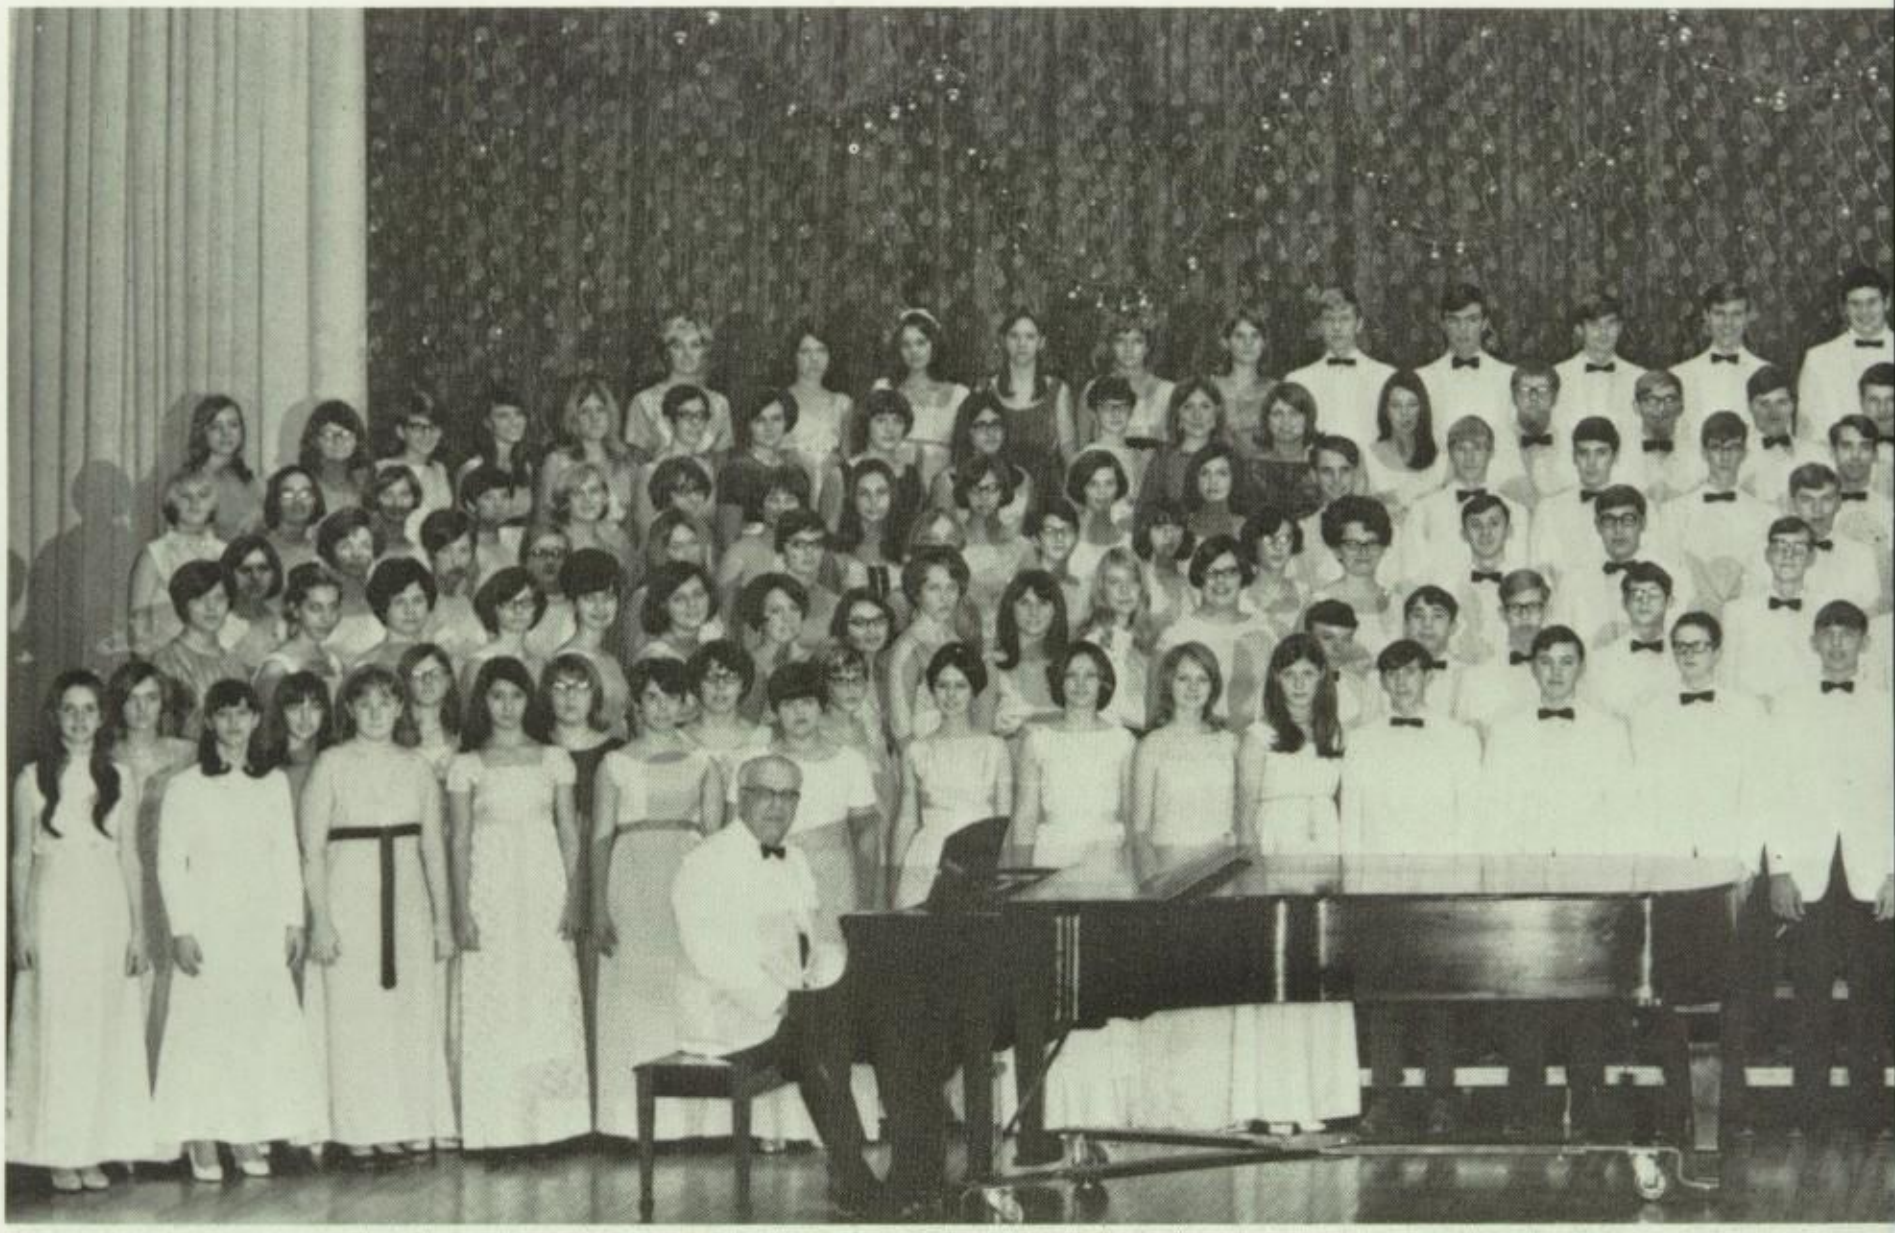
Adviser ..... Dorothy Wauls

Officers of the Booster Club show their enthusiasm in their smiles. Kneeling: J. Shriver. Standing: J. Mannisto, S. Humelsine, Dorothy Wauls, C. Johncour, C. Rhodes.



To give each member the opportunity to advance in any ability that he might possess, is the purpose of the 181 voice Glee Club. Under the direction of Paul Lucas the members meet daily and practice for two annual concerts, one presented at Christmas, the other in the spring. These annual concerts presented to both the student body and the area public, represent some of the more colorful and talented performances of the school. Through these concerts, members gain much practical experience in stage performance. Glee Club members are selected from the student body with an audition with Mr. Lucas.

ECHO EDITORIAL STAFF

As the year at CASHS progresses, there are many occasions which leave a lasting impression on students. These memories are captured and compiled each year into the Echo. The process of publishing the yearbook requires long, hard work from every member of the staff and the adviser. Taking pictures, drawing layouts, writing captions, and creating new and different ideas are all included in the production. Every effort is made to make the Echo a lasting and cherished impression of high school years.

ECHO ADVERTISING STAFF

The work of the Echo advertising Staff begins early in September when they start their ad campaign by contacting the stores of downtown Chambersburg. They continue to solicit ads until late in December in order to supplement the cost of the yearbook. The staff also takes orders for yearbooks, collects due payments, and lays out the advertisements.

Through working on the staff the members gain knowledge and experience in the advertising world.

FUTURE FARMERS OF AMERICA

Through active participation in the Future Farmers of America Club, the young men enrolled in vocational agriculture learn how to speak in public meetings and how to assume civic responsibilities. By engaging in such activities, the members develop competent, aggressive, rural and agricultural leadership.

During the course of the year, the club undertakes many different projects. They grow several varieties of chrysanthemums and poinsettias which are then sold. The club also sells seeds for the Ag-Way Cooperative, for which they receive a set commission. These projects enable the F.F.A. to attend the State Farm Show, South Mountain Fair, and many other judging contests.

The F.F.A. holds an annual parents and son banquet at which time the young men are awarded pins and certificates in accordance with their achievements.

SENIOR HI-Y

In order to increase their community and school interests, the Senior Hi-Y holds informative and instructive meetings throughout the school year. With the guidance of local church officials, "Teen Talk" sessions are held to assist members with everyday problems.

Participation in the Senior Hi-Y, enables a young man to build his character and moral standards. He learns respect for his teachers, elders, school, community, and fellow classmates. Through club programs and projects, the members try to improve themselves physically, spiritually, scholastically and morally. The goals are exemplified by the function of the club as stated by part of the Hi-Y motto—"to create and maintain within the membership of the club and extend throughout the school and community high standards of Christian character."

FUTURE TEACHERS OF AMERICA

To encourage young people to follow the teaching profession, to familiarize them with the different aspects of teaching and to provide opportunities for exploration in the different fields of the teaching world are the main aims of the Future Teachers of America Club. In accomplishing these aims, the FTA members are presented with programs varying from student teachers and "veterans" of the teaching profession relating experiences and requirements for an educational career to movies revealing the challenges and problems facing a teacher.

Delegates from our FTA chapter attend a state and two regional conventions every year. Club programs and activities are discussed and officers for the region and state are elected.

The Symphonic Band begins rehearsals following football season. Most of the work leads toward its two concerts given in February and May. Although the membership is basically the same in both the Marching and Symphonic Bands, the instrumentation is quite different, along with the style and quality of music. Whereas the Marching version of the Band had leaned toward the popular, pep, swing style of repertoire, the Symphonic Band's music consists of overtures, symphonies, show tunes and concert marches. Aside from the two major concerts, the band also plays for Color Day, Baccalaureate, and Commencement.

NURSES OF TOMORROW

The Nurses of Tomorrow is an organization of girls interested in a nursing career. The aim of this club is to acquaint the members with the different aspects of nursing through guest speakers, field trips, films, and slides, and tours through the different area hospitals. Programs for the year's meetings will include a discussion of differences in the three nursing programs, an illustrated talk by a professional nurse who spent three years on a Navaho Indian reservation, and an instructor and two students from Chambersburg School of Practical Nursing discussed their program. In the future programs will include illustrated talks by a physiotherapist and several doctors. They will speak on other phases of nursing and allied health careers.

Interesting speakers with experiences help to further acquaint the Nurses of Tomorrow Club with the Nursing field. Standing: Jane Morr, Mary Houser, B. Porter, L. Shoap, E. Lehman, M. Miller, J. Tolbert, S. Hartzell, P. Wheelock, V. Tarner.

THE CHAMBERSBURG AREA SENIOR HIGH SCHOOL TROJAN MARCHING BAND

MARCHING BAND

The Chambersburg Area Senior High School Trojan Marching Band climaxed its season this year on November 17 when it was selected to perform the half time show for the Baltimore Colts-St. Louis Cardinals football game in Memorial Stadium in Baltimore. Performing before sixty-three thousand spectators and nationwide television coverage, the Band brought fame and honor to the Chambersburg Area School District. The following week in Harrisburg, the Band brought home the M. Claude Rosenberry Trophy after scoring the highest number of points in the Harrisburg Parade of Bands. All of this came after a busy season of twelve football games and eight parades. During the Halloween Season, the CASHS Band competed in several area parades and won over five hundred dollars in cash prizes.

VARSITY CHEERLEADERS

To promote school spirit, good sportsmanship, and support athletic teams are the main objectives of the varsity cheerleaders. The squad, composed of juniors and seniors, cheers for wrestling matches, football, basketball, and soccer games, sponsor pep rallies, blue-white days, and decorate the team room.

This year the squad attended the Pocono Sports Camp near East Stroudsburg, Pennsylvania. Along with learning cheers, chants, pom pom routines, and developing a true spirit; the C.A.S.H.S. cheerleaders competed with several other squads from the East Coast. The varsity cheerleaders secured three first place ribbons, two second place ribbons, and one third place, and the spirit stick.

The cheer squad raises money by sponsoring dances, car washes, and a booth in the Student Council Winter Carnival.

Their main purpose is to encourage Trojan fans to cheer our teams to victory.

TRACK AND FIELD

As the saying goes "it was a very good year" for the 1968 track and field team. Out of eleven meets the squad captured nine wins.

When springtime rolled around, try-outs for the traveling team began and out of about 200 anxious boys approximately 80 boys made it. With fine assistant coaches, an all-weather track and an extremely well-motivated group of athletics, strong in talent; they had a very prosperous season.

Chambersburg participated in three invitational meets, Shippensburg, Dickinson, and the Chambersburg invitational. They placed third in the Shippensburg and Chambersburg and sixth in the Dickinson invitational. In the District III meet Chambersburg took seventh place, with Jeffrey Thomas placing second in the pole vault and Kirk Davis capturing second place in the two-mile run qualifying themselves for the state meet.

In the running events, Karl Shaffer broke the record in the 880 Yard Run with a time of 2:00.9. The 880 Yard Relay team, consisting of Kirk MacWilliams, Rudy Kelly, Dick Landis and Larry Frey, equaled the time of last year of 1:32.5. Dick Landis, Denny Ausherman, Ricky Poe, and Rudy Kelly making up the mile relay team, broke the record with 3:34.1. In the longest relay, the two mile relay, Karl Shaffer, Tim Cook, Chip Lewis and James Miner broke last years record with 8:19. Larry Frey equaled the height of last year with 5'10" in the high jump for the field events.

With the return of some lettermen, the team has a bright outlook for the upcoming season.

GOLF

Three years ago, Golf entered the CASHS sports program. Since then it has brought respect and recognition to Chambersburg Area Senior High School. The credit can be given to Harold Hopple, its head coach, and a fine group of energetic young men. Boys from the ninth through twelfth grades participate in golf, which is a competitive sport where size, weight and height are not factors in determining team membership.

The members of this year's fine Trojan team were: Mark Selman (the only team member lost through graduation), Jim Edgar, Courtney Graham, Glenn Perry, Chuck Rahauser, Jim Weber, Jim Orr, Donnie Umbower, Fletcher McClellan, Steve Edgar, Jim Butterfuss, Bill Hoffman, and Jerry Frey. Five boys qualified for District III Competition at Hershey Park (Steve Edgar, Courtney Graham, Chuch Rahauser, Jim Edgar, and Jim Weber); of these five, three Trojans (S. Edgar, Graham, and Rahauser) qualified for the District III finals. To make final competition, a score of 159 was needed. Rahauser missed by one stroke, Graham missed by four, and Edgar failed to make the second round cut off.

The Trojans completed an undefeated season with nine victories. They practice and play all their home matches at the Chambersburg Golf Club, located in Scotland, Pennsylvania.

VARSITY BASEBALL

The Trojan Varsity Baseball Team, coached by Robert Thomas and his assistant, Paul Kaiser, completed their 1968 season with an impressive record of 12 wins and 3 losses. The major highlight of the season was the Trojan shut-out over James Buchanan, 21-0. The team's victories would usually be a large margin, for the Trojan's total runs were 150 to their opponents 62. With the pitching of Greg Cook and Tom Good and the batting of Bob Tarner, they produced a good team effort.

VARSITY FOOTBALL

Sporting a 9-1 record, the 1968 Trojans ended the season by breaking the offensive scoring record with a total of 298 points. A fine example of sportsmanship and attitude as a "we" rather than a "me" team gained the team a victorious season. Quarterback Jim Weber completed passes for nine T.D.'s behind the protection of Coach Lawhead's strong "forward wall." Gary Taylor led the offensive charge with a staggering 1,004 yards, followed by his versatile teammate, Larry Frey, who totaled 698 yards. Frey and Taylor also led the squad in point standings with a total of 84 points each. Junior Jerry Frey completed 34 of his 40 extra-point attempts, while Bob "Foot" Forrester booted an average of 52 yards on the kickoffs. Dave Williamson topped the outstanding defensive team acquiring 50 tackles, followed closely by Jeff Brown with 48. Coach Carroll remarked that this may be the best squad we have had in recent years. "They were true to the cause; they were in great physical condition; and, above all, they were a "We Team" and not a "Me Team." I know they have set the example and great attitude which will rub off on all future Trojan teams. I know I will cherish the exciting brand of football they displayed."

JUNIOR VARSITY FOOTBALL

The 1968 Junior Varsity football team under the direction of head coach Max Shoemaker and his assistant Jim Kirkpatrick, completed the season with a record of five wins, two losses, and one tie. Victims of the Little Trojans were: North Hagerstown, Delone, Hanover, Mercersburg Academy, and Scotland. Their losses were at the hands of Waynesboro and Carlisle, and they played to a tie with Trinity.

Coach Max Shoemaker had this to say about the season: "The boys played a good season of football, and they were really better than their record shows. I was very pleased with the record; the team was the strong, silent, and rough type. We were hampered by injuries, but the team pulled through with good offense and understanding defense all season. There will be some very good Little Trojans becoming full-fledged Trojans next year."

CROSS COUNTRY

"This year our team had a better balance with a strong nucleus backing up our one-two combination of Chip Lewis and Dana Ward," states the Cross Country Coach Paul Kaiser. The team suffered only one loss out of fourteen meets and captured a victory and the trophy at the eleventh annual Cumberland Valley Athletic Cross Country Invitational.

*Chip Lewis set the pace for the team by establishing five course records; he presently holds the record time on the new CASHS cross country course. Always close behind Chip and Dana were Mike Hogg, Steve Kloch, Walter Bietsch, and Joel Mowery.

The basic concept of the sport, consists of one race over hills, fields, and other obstacles. Each team fields a group of light runners of which the first five count in the scoring. The first runner across receives one point, the second two points etc.; thus the team with the lowest total at the end of the meet is declared the winner.

Cross-country provides for an outdoor activity and an opportunity of improving ones physical condition, plus it gives conditioning advantages to spring track and field participants; consequently it makes the fall program a worthwhile undertaking.

*At the Invitational Chip Lewis, Dana Ward, and Walter Bietsch rated fourth, eighth, and fifteenth respectively, CASHS had two medalists. Chip Lewis won third place and Dana Ward won seventeenth, at the district meet.

VARSITY BASKETBALL

The 1969 Varsity Basketball Team began the season with a slow start but finished with a bang. The season closed with a record of 7 wins and 15 losses.

The Trojans defeated James Buchanan in both matches of the season. They split their encounters with Huntingdon, Williamsport, Altoona, and Waynesboro.

High scorer was Bob McDonald, who had 274 points. Maurice Gibson's 237 points added to team effort with Gary Quivers, Chuck Rahauser, and Denny Jacobs close behind with 173,163, and 147 respectively. Maurice Gibson led the team in foul shots, 48, and rebounds, 179.

Most of the players were underclassmen. Coach Russo gives them a lot of credit and is optimistic for next year's more experienced team.

JUNIOR VARSITY BASKETBALL

The Little Trojans had a tremendous 1969 season of 20 wins and 2 losses. Altoona was the only team able to top the JV's, and they succeeded in doing it twice. In one overtime game, Altoona scored 61 to the JV's 51, and in the other game won with a score of 75-70. The only other close game was the Delone game with the Little Trojans winning 73-70. All other Trojan JV attempts were very successful.

Arnie Shank led the scoring with 146 field goals and 59 fouls made combining to make his 351 points. Junior Watson followed closely with 346 points. Also leading in assists was Shank with 104, followed by Reggie Quivers with 99 and Watson with 84.

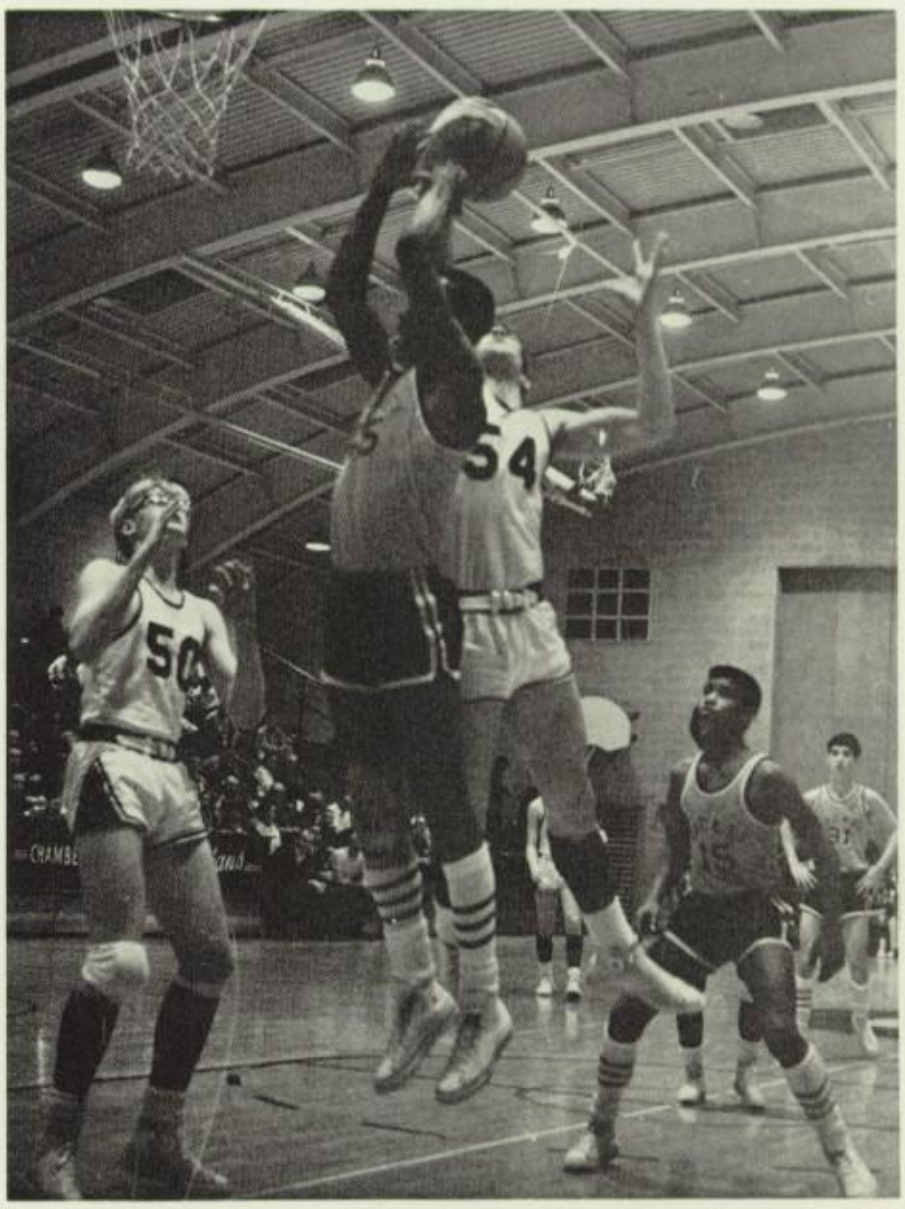
HEY, WHERE DID IT GO?—Players seem to be fanning the air as Tom Motichka (20) completes his shot.



FOILED AGAIN—Ron Etter (54) grabs the ball, stopping another 2 points by the opponents.

VARSITY WRESTLING TEAM—Front Row: D. Frame, K. Mickley, D. Pollock, B. Farner, J. Shuff, J. Olson. Back Row: R. Kelly, R. Haulman, R. Taylor, M. Martin, R. Baldassari, H. Sollenberger, J. Worhach, D. Grier, B. Yost.

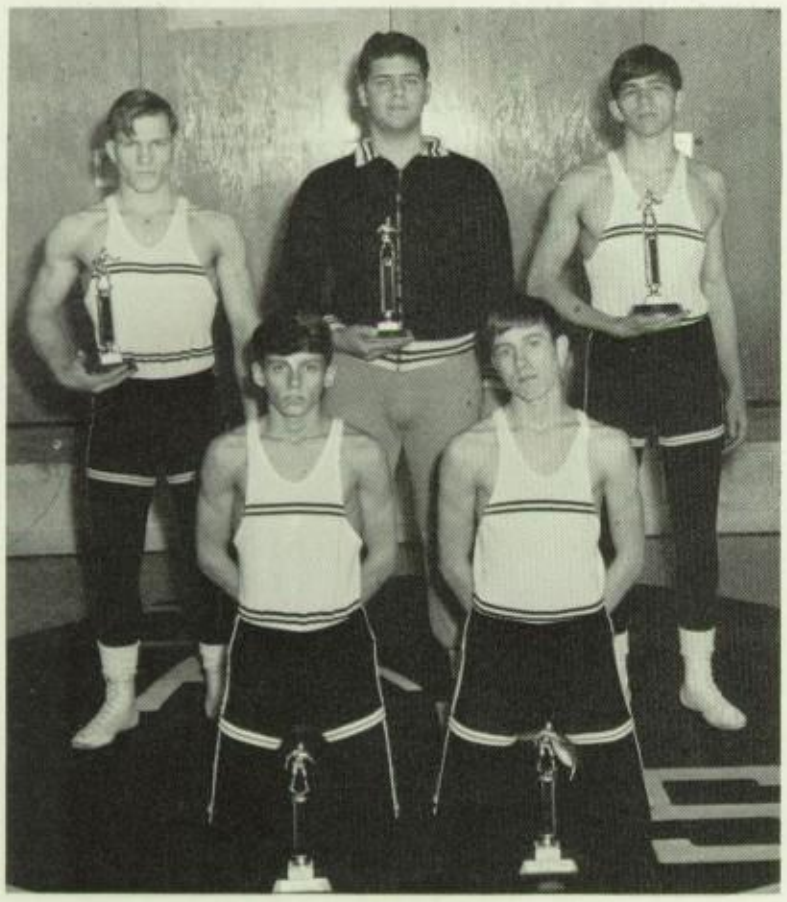
WRESTLING

In his second year as head coach of the wrestling squad, Lee Powell guided his Varsity squad to 5 wins out of 14 matches. Mike Martin had the best overall record, acquiring 11 wins and only 1 loss. Co-captains Roy Baldassari and Bob Haulman also obtained commendable individual records.

CASHS grapplers participated at the Francis Scott Key Tournament. Dave Frame, Ken Mickley, Mike Martin, Tony Cerri, and Roy Baldassari brought home trophies for the team.

The J.V. Team ended the seasons with 7 wins and 7 losses. Dave Dunkle led the squad with 11 wins and 2 losses.

Spirit and determination were evident in all individuals creating greater spectator enthusiasm.



Five CASHS grapplers proudly display the trophies they won at the Francis Scott Key Tournament. The winners are, Front: Dave Frame, Ken Mickley, Back: Mike Martin, Tony Cerri, Roy Baldassari.

Coach Lee Powell, Co-captains Roy Baldassari and Robert Haulman, and Asst. Coach Thomas Bloom take time out from their strenuous practice to pose for the ECHO.

GIRLS' BASKETBALL

Concluding their third year of interscholastic basketball, the Chambersburg Varsity Trojanettes recorded ten victories of eleven contests. Judy Shoemaker and Marlys Palmer coached the girls to triumph over the Alumni 38-16; James Buchanan 31-30 and 48-24; McConellsburg 36-21 and 62-31; Greencastle 37-22 and 46-37; Fannet-Metal 76-9; Waynesboro 40-38; and Penn Hall 51-17. The only defeat handed them was by Waynesboro 33-31.

The Junior Varsity team closed the season with a record of six wins and two losses. They were victorious over Waynesboro 16-9; James Buchanan 17-16 and 20-7; Greencastle 26-14; Fannet-Metal 31-5; and Penn Hall 11-3. Waynesboro defeated the Junior Varsity 23-19, and Greencastle also topped them 13-9.

GIRLS' HOCKEY

The 1968 version of the hockey team finished their season on October 25, when they tied James Buchanan by a score of 1-1. This brought the season record to two wins, five losses, and one tie.

Assistant Coach Palmer said, "This record doesn't show the team's ability. The varsity team had more skill than in previous years."

The team scored a total of eighteen goals, which is more than was scored in the past two years combined. High scorers were Terri Yeager with seven goals and Sallie Gayman with five goals.

SOCCER

The CASHS soccer team entered the soccer field for the first time in the school's history during the 1968-69 school year.

This team was entered in the South Penn Soccer League, being composed of eight different teams from the surrounding school districts. The league is divided into two halves with the winner of each half having a playoff to determine the League Champion. This League Champion is then entitled to enter the soccer playoffs for the District.

Practice for the first CASHS Soccer Team began in mid-August, with 47 prospective candidates. Cuts were eventually made so the final number in the soccer squad was 30. Out of this final number, 16 players earned a "letter C" for their efforts, five of them were seniors.

The CASHS soccer team ended up with a record of 3 wins, 9 losses, and one tie, thus being the first team in the history of the South Penn Soccer Team to begin its first year with any wins. Prospects are good for an improved 1969-70 soccer season.

B. Barton, Coach Shatzer, T. Gartside proudly display the soccer ball which represents the new sport at CASHS.
